

(C) A facility, including compression and looping, that alters the capacity of a main line, except replacement facilities and facility modifications covered under paragraph (b)(2)(i) of this section; * * *

* * * * *

(13) *Emergency* means a sudden unanticipated loss of gas supply or capacity that requires an immediate restoration of interrupted service for protection of life or health or for maintenance of physical property.

■ 3. In § 157.203, paragraph (d)(1), insert the following sentence after the last full sentence ending “the notice has been provided.”:

§ 157.203 Blanket certification.

* * * * *

(d) *Landowner notification.*

(1) * * * For activity required to restore service in an emergency, the 30-day prior notice period is satisfied in the event a company obtains all necessary easements. * * *

* * * * *

■ 4. In § 157.205, paragraph (a) introductory text is revised to read as follows:

§ 157.205 Notice procedure.

(a) *Applicability.* No activity described in §§ 157.208(b), 157.211(a)(2), 157.214 or 157.216(b), except for activity required to restore service in an emergency, is authorized by a blanket certificate granted under this subpart, unless, prior to undertaking such activity:

* * * * *

■ 5. In § 157.207, the introductory text is revised to read as follows:

§ 157.207 General reporting requirements.

On or before May 1, or each year, or in the case of emergency reconstruction activity, prior to any activity, the certificate holder must file, in the manner prescribed in §§ 157.6(a) and 385.2011 of this chapter, an annual report signed under oath by a senior official of the company, that lists for the previous calendar year:

* * * * *

■ 6. In § 157.208, paragraph (a) is revised to read as follows:

§ 157.208 Construction, acquisition, operation, replacement, and miscellaneous rearrangement of facilities.

(a) *Automatic authorization.* If the project cost does not exceed the cost limitations set forth in column 1 of Table I, under paragraph (d) of this section, or if the project is required to restore service in an emergency, the certificate holder is authorized to make miscellaneous rearrangements of any

facility, or acquire, construct, replace, or operate any eligible facility. The certificate holder shall not segment projects in order to meet the cost limitations set forth in column 1 of Table I.

* * * * *

PART 375—THE COMMISSION

■ 7. The authority citation for part 375 continues to read as follows:

Authority: 5 U.S.C. 551–557; 15 U.S.C. 717–717w, 3301–3432; 16 U.S.C. 791–825r, 2601–2645; 42 U.S.C. 7101–7352.

■ 8. Section 375.308 is amended as follows:

■ a. In paragraph (w)(3), the word “and” is removed;

■ b. In paragraph (w)(4), remove the period at the end of the sentence and add “; and” in its place;

■ c. Paragraph (w)(5) is added,

■ d. In paragraph (x)(5), the word “and” is removed;

■ e. In paragraph (x)(6), remove the period at the end of the sentence and add “; and” in its place; and

■ f. Paragraph (x)(7) is added to read as follows:

§ 375.308 Delegations to the Director of the Office of Energy Projects.

* * * * *

(w) * * *

(5) Requests for waiver of the landowner notification requirements in § 157.203(d) of this chapter.

* * * * *

(x) * * *

(7) Take whatever steps are necessary to ensure the protection of all environmental resources during the construction or operation of natural gas facilities, including authority to design and implement additional or alternative measures and stop work authority.

* * * * *

DEPARTMENT OF HOMELAND SECURITY

Coast Guard

33 CFR Part 100

[CGD05–03–048]

RIN 1625–AA08

Special Local Regulations for Marine Events; Patuxent River, Solomons, MD

AGENCY: Coast Guard, DHS.

ACTION: Temporary final rule.

SUMMARY: The Coast Guard is establishing temporary special local regulations for the “Patuxent River Air Expo 2003”, an event to be held over the waters of the lower Patuxent River near Solomons, Maryland. These special local regulations are necessary to provide for the safety of life on navigable waters during the event. This action is intended to restrict vessel traffic in portions of the lower Patuxent River during the event.

DATES: This rule is effective from 6 p.m. on May 23, 2003 to 5 p.m. on May 25, 2003.

ADDRESSES: Documents indicated in this preamble as being available in the docket, are part of docket CGD05–03–048 and are available for inspection or copying at Commander (oax), Fifth Coast Guard District, 431 Crawford Street, Portsmouth, Virginia 23704–5004, between 9 a.m. and 2 p.m., Monday through Friday, except Federal holidays.

FOR FURTHER INFORMATION CONTACT: S.L. Phillips, Project Manager, Auxiliary and Recreational Boating Safety Branch, at (757) 398–6204.

SUPPLEMENTARY INFORMATION:

Regulatory Information

We did not publish a notice of proposed rulemaking (NPRM) for this regulation. Under 5 U.S.C. 553(b)(B) and 553(d)(3), the Coast Guard finds that good cause exists for not publishing a NPRM and for making this rule effective less than 30 days after publication in the *Federal Register*. Because of the danger posed by low flying aircraft performing precision maneuvers and aerial stunts, special local regulations are necessary to provide for the safety of event participants, spectator craft and other vessels transiting the event area. For the safety concerns noted, it is in the public interest to have these regulations in effect during the event. The event will begin on May 23, 2003. There is not sufficient time to allow for a notice and comment period prior to the event. However, advance notifications will be made via the Local Notice to Mariners, marine information broadcasts, and area newspapers.

Background and Purpose

From May 23, through May 25, 2003, U. S. Naval Air Station Patuxent River will conduct a low-flying, high-speed aerial demonstration above a portion of the lower Patuxent River, between Fishing Point and the base of the breakwall marking the entrance to the East Seaplane Basin at the Naval Air Warfare Center Patuxent River. A fleet of spectator vessels is expected to gather

near the event site to view the aerial demonstration. To provide for the safety of participants, spectators and other transiting vessels, the Coast Guard will temporarily restrict vessel traffic in the event area during the aerial demonstration.

Discussion of Rule

The Coast Guard is establishing temporary special local regulations on specified waters of the lower Patuxent River between Fishing Point and the base of the breakwall marking the entrance to the East Seaplane Basin at the Naval Air Warfare Center Patuxent River. The regulated area is approximately 850 yards long and 700 yards wide. The temporary special local regulations will be in effect from 6 p.m. on May 23 until 5 p.m. on May 25, 2003. The effect will be to restrict general navigation in the regulated area during the event. Except for persons or vessels authorized by the Coast Guard Patrol Commander, no person or vessel may enter or remain in the regulated area. The Patrol Commander will notify the public of specific enforcement times by Marine Radio Safety Broadcast. These regulations are needed to control vessel traffic during the event to enhance the safety of participants, spectators and transiting vessels.

Regulatory Evaluation

This rule is not a "significant regulatory action" under section 3(f) of Executive Order 12866 and does not require an assessment of potential costs and benefits under section 6(a)(3) of that Order. The Office of Management and Budget has not reviewed it under that Order. It is not significant under the regulatory policies and procedures of the Department of Homeland Security (DHS).

We expect the economic impact of this temporary final rule to be so minimal that a full Regulatory Evaluation under the regulatory policies and procedures of DHS is unnecessary.

Although this regulation prevents traffic from transiting a portion of the lower Patuxent River during the event, the effect of this regulation will not be significant due to the limited duration that the regulated area will be in effect and the extensive advance notifications that will be made to the maritime community via the Local Notice to Mariners, marine information broadcasts, and area newspapers so mariners can adjust their plans accordingly. Additionally, the regulated area has been narrowly tailored to impose the least impact on general navigation yet provide the level of safety deemed necessary.

Small Entities

Under the Regulatory Flexibility Act (5 U.S.C. 601–612), we considered whether this rule would have a significant economic impact on a substantial number of small entities. The term "small entities" comprises small businesses, not-for-profit organizations that are independently owned and operated and are not dominant in their fields, and governmental jurisdictions with populations of less than 50,000.

The Coast Guard certifies under 5 U.S.C. 605(b) that this rule will not have a significant economic impact on a substantial number of small entities. This rule will affect the following entities, some of which may be small entities: the owners or operators of vessels intending to transit or anchor in the effected portions of the lower Patuxent River during the event.

This rule will not have a significant economic impact on a substantial number of small entities for the following reasons. This rule will be in effect for only a short period, from 6 p.m. on May 23 to 5 p.m. on May 25, 2003. Before the enforcement period, we will issue maritime advisories so mariners can adjust their plans accordingly.

If you think that your business, organization, or governmental jurisdiction qualifies as a small entity and that this rule will have a significant economic impact on it, please submit a comment (*see ADDRESSES*) explaining why you think it qualifies and how and to what degree this rule will economically affect it.

Assistance for Small Entities

Under section 213(a) of the Small Business Regulatory Enforcement Fairness Act of 1996 (Pub. L. 104–121), we want to assist small entities in understanding this temporary rule so that they can better evaluate its effects on them and participate in the rulemaking. If the rule would affect your small business, organization, or governmental jurisdiction and you have questions concerning its provisions or options for compliance, please contact the address listed under *ADDRESSES*.

Small businesses may send comments on the actions of Federal employees who enforce, or otherwise determine compliance with, Federal regulations to the Small Business and Agriculture Regulatory Enforcement Ombudsman and the Regional Small Business Regulatory Fairness Boards. The Ombudsman evaluates these actions annually and rates each agency's responsiveness to small business. If you

wish to comment on actions by employees of the Coast Guard, call 1–888–REG–FAIR (1–888–734–3247).

Collection of Information

This rule calls for no new collection of information under the Paperwork Reduction Act of 1995 (44 U.S.C. 3501–3520).

Federalism

A rule has implications for federalism under Executive Order 13132, Federalism, if it has a substantial direct effect on State or local governments and would either preempt State law or impose a substantial direct cost of compliance on them. We have analyzed this rule under that Order and have determined that it does not have implications for federalism.

Unfunded Mandates Reform Act

The Unfunded Mandates Reform Act of 1995 (2 U.S.C. 1531–1538) requires Federal agencies to assess the effects of their discretionary regulatory actions. In particular, the Act addresses actions that may result in the expenditure by a State, local, or tribal government, in the aggregate, or by the private sector of \$100,000,000 or more in any one year. Though this rule will not result in such an expenditure, we do discuss the effects of this rule elsewhere in this preamble.

Taking of Private Property

This rule will not effect a taking of private property or otherwise have taking implications under Executive Order 12630, Governmental Actions and Interference with Constitutionally Protected Property Rights.

Civil Justice Reform

This rule meets applicable standards in sections 3 (a) and 3 (b) (2) of Executive Order 12988, Civil Justice Reform, to minimize litigation, eliminate ambiguity, and reduce burden.

Protection of Children

We have analyzed this rule under Executive Order 13045, Protection of Children from Environmental Health Risks and Safety Risks. This rule is not an economically significant rule and will not create an environmental risk to health or risk to safety that might disproportionately affect children.

Indian Tribal Governments

This rule does not have tribal implications under Executive Order 13175, Consultation and Coordination with Indian Tribal Governments, because it does not have a substantial

and direct effect on one or more Indian tribes, on the relationship between the Federal Government and Indian tribes, or on the distribution of power and responsibilities between the Federal Government and Indian tribes.

To help the Coast Guard establish regular and meaningful consultation and collaboration with Indian and Alaskan Native tribes, we published a notice in the **Federal Register** (66 FR 36361, July 11, 2001) requesting comments on how to best carry out the Order. We invite your comments on how this rule might impact tribal governments, even if that impact may not constitute a "tribal implication" under the Order.

Energy Effects

We have analyzed this rule under Executive Order 13211, Actions Concerning Regulations That Significantly Affect Energy Supply, Distribution, or Use. We have determined that it is not a "significant energy action" under that order because it is not a "significant regulatory action" under Executive Order 12866 and is not likely to have a significant adverse effect on the supply, distribution, or use of energy. It has not been designated by the Administrator of the Office of Information and Regulatory Affairs as a significant energy action. Therefore, it does not require a Statement of Energy Effects under Executive Order 13211.

Environment

We have analyzed this rule under Commandant Instruction M16475.1D, which guides the Coast Guard in complying with the National Environmental Policy Act of 1969 (NEPA) (42 U.S.C. 4321–4370f), and have concluded that there are no factors in this case that would limit the use of a categorical exclusion under section 2.B.2 of the Instruction. Therefore, this rule is categorically excluded under figure 2–1, paragraph (34)(h), of the Instruction, from further environmental documentation. Special local regulations issued in conjunction with a regatta or marine parade permit are specifically excluded from further analysis and documentation under those sections. An "Environmental Analysis Check List" and a "Categorical Exclusion Determination" are available in the docket where indicated under **ADDRESSES**.

List of Subjects in 33 CFR Part 100

Marine safety, Navigation (water), Reporting and recordkeeping requirements, Waterways.

■ For the reasons discussed in the preamble, the Coast Guard amends 33 CFR part 100 as follows:

PART 100—SAFETY OF LIFE ON NAVIGABLE WATERS

■ 1. The authority citation for part 100 continues to read as follows:

Authority: 33 U.S.C. 1233 through 1236; Department of Homeland Security Delegation No. 0170, 33 CFR 100.35.

■ 2. From 6 p.m. on May 23, 2003 to 5 p.m. on May 25, 2003, add a temporary § 100.35–T05–048 to read as follows:

§ 100.35–T05–048 Patuxent River, Solomons, Maryland.

(a) Definitions.

(1) *Coast Guard Patrol Commander.* The Coast Guard Patrol Commander is a commissioned, warrant, or petty officer of the Coast Guard who has been designated by the Commander, Coast Guard Activities Baltimore.

(2) *Official Patrol.* The Official Patrol is any vessel with a commissioned, warrant, or petty officer of the Coast Guard on board and displaying a Coast Guard ensign.

(3) *Regulated Area.* All waters of the lower Patuxent River, near Solomons, Maryland, located between Fishing Point and the base of the breakwall marking the entrance to the East Seaplane Basin at the Naval Air Warfare Center Patuxent River, within an area approximately 850 yards long and 700 yards wide, bounded by a line connecting position 38°17'58.4" N, 076°25'28.0" W, along the shoreline to position 38°17'38.6" N, 076°25'47.7" W, to position 38°17'51.5" N, 076°26'08.6" W, to position 38°18'10.7" N, 076°25'48.8" W, to position 38°17'58.4" N, 076°25'28.0" W. All coordinates reference Datum NAD 1983.

(b) Special local regulations.

(1) Except for persons or vessels authorized by the Coast Guard Patrol Commander, no person or vessel may enter or remain in the regulated area.

(2) The operator of any vessel in the regulated area shall:

(i) Stop the vessel immediately when directed to do so by any official patrol, including any commissioned, warrant, or petty officer on board a vessel displaying a Coast Guard ensign.

(ii) Proceed as directed by any official patrol, including any commissioned, warrant, or petty officer on board a vessel displaying a Coast Guard ensign.

(c) *Effective period.* This section is effective from 6 p.m. on May 23, 2003 to 5 p.m. on May 25, 2003.

Dated: May 12, 2003.

Ben R. Thomason III,

Captain, U.S. Coast Guard, Acting Commander, Fifth Coast Guard District.

BILLING CODE 4910–15–P

DEPARTMENT OF HOMELAND SECURITY

Coast Guard

33 CFR Part 165

[COTP San Diego 03–019]

RIN 1625–AA00

Safety Zone; Colorado River, Between Davis Dam and Laughlin Bridge (This Section of the Colorado River Divides Arizona and Nevada)

AGENCY: Coast Guard, DHS.

ACTION: Temporary final rule.

SUMMARY: The Coast Guard proposes a temporary safety zone within the Davis Camp Region on the navigable waters of the Colorado River for the Laughlin River Days boat race. This temporary safety zone consists of the navigable waters of the Colorado River between Davis Dam and the Laughlin Bridge.

This temporary safety zone is necessary to provide for the safety of the crew, spectators, and participants of the race, to protect the participating vessels and to protect other users of the waterway. Persons and vessels are prohibited from entering into, transiting through, or anchoring within this safety zone unless authorized by the Captain of the Port, or his designated representative.

DATES: This rule is effective from 7:30 a.m. (p.d.t.) on May 31, 2003 until 5:30 p.m. (p.d.t.) on June 1, 2003.

ADDRESSES: Comments and material received from the public, as well as documents indicated in this preamble as being available in the docket, are part of docket [COTP San Diego 03–019] and are available for inspection or copying at Marine Safety Office San Diego, 2716 N. Harbor Drive, San Diego, CA 92101–1064 between 8 a.m. and 4 p.m., Monday through Friday, except Federal holidays.

FOR FURTHER INFORMATION CONTACT: Petty Officer Austin Murai, USCG, c/o U.S. Coast Guard Captain of the Port, telephone (619) 683–6495.

SUPPLEMENTARY INFORMATION:

Regulatory Information

We did not publish a notice of proposed rulemaking (NPRM) for this
