[STB Docket No. AB-290 (Sub-No. 277X);
STB Docket No. AB-997X]

**Norfolk Southern Railway Company—
Abandonment Exemption—in Madison
County, TN and Western Tennessee
Railroad—Discontinuance of Service
Exemption—in Madison County, TN**

Norfolk Southern Railway Company (NSR) and Western Tennessee Railroad (WTNN) (collectively, applicants) have jointly filed a notice of exemption under 49 CFR 1152 Subpart F—*Exempt Abandonments and Discontinuances of Service* for NSR to abandon, and for WTNN to discontinue service and operating rights over a .25-mile line of railroad lying between mileposts (old) C 471.00 and (old) C 471.25 in Jackson, Madison County, TN. The line traverses United States Postal Service Zip Code 38301 and includes the station of Jackson, TN.

NSR and WTNN have certified that: (1) No local traffic has moved over the line for at least 2 years; (2) any overhead traffic can be rerouted over other lines; (3) no formal complaint filed by a user of rail service on the line (or by a state or local government entity acting on behalf of such user) regarding cessation of service over the line either is pending with the Surface Transportation Board (Board) or with any U.S. District Court or has been decided in favor of complainant within the 2-year period; and (4) the requirements of 49 CFR 1105.7 (environmental report), 49 CFR 1105.8 (historic report), 49 CFR 1105.11 (transmittal letter), 49 CFR 1105.12 (newspaper publication), and 49 CFR 1152.50(d)(1) (notice to governmental agencies) have been met.

As a condition to these exemptions, any employee adversely affected by the abandonment or discontinuance shall be protected under *Oregon Short Line R. Co.—Abandonment—Goshen*, 360 I.C.C. 91 (1979). To address whether this condition adequately protects affected employees, a petition for partial revocation under 49 U.S.C. 10502(d) must be filed.

Provided no formal expression of intent to file an offer of financial assistance (OFA) has been received, these exemptions will be effective on February 24, 2007, unless stayed pending reconsideration. Petitions to stay that do not involve environmental issues,¹ formal expressions of intent to

file an OFA under 49 CFR 1152.27(c)(2),² and trail use/rail banking requests under 49 CFR 1152.29 must be filed by February 5, 2007. Petitions to reopen or requests for public use conditions under 49 CFR 1152.28 must be filed by February 14, 2007, with: Surface Transportation Board, 1925 K Street, NW., Washington, DC 20423–0001.

A copy of any petition filed with the Board should be sent to applicants' representative: James R. Paschall, Three Commercial Place, Norfolk, VA 23510.

If the verified notice contains false or misleading information, the exemptions are void *ab initio*.

NSR and WTNN have filed an environmental report which addresses the effects, if any, of the abandonment and discontinuance on the environment and historic resources. SEA will issue an environmental assessment (EA) by January 30, 2007. Interested persons may obtain a copy of the EA by writing to SEA (Room 500, Surface Transportation Board, Washington, DC 20423) or by calling SEA, at (202) 565–1539. [Assistance for the hearing impaired is available through the Federal Information Relay Service (FIRS) at 1–800–877–8339.] Comments on environmental and historic preservation matters must be filed within 15 days after the EA becomes available to the public.

Environmental, historic preservation, public use, or trail use/rail banking conditions will be imposed, where appropriate, in a subsequent decision.

Pursuant to the provisions of 49 CFR 1152.29(e)(2), NSR shall file a notice of consummation with the Board to signify that it has exercised the authority granted and fully abandoned the line. If consummation has not been effected by NSR's filing of a notice of consummation by January 25, 2008, and there are no legal or regulatory barriers to consummation, the authority to abandon will automatically expire.

Board decisions and notices are available on our Web site at www.stb.dot.gov.

Decided: January 17, 2007.

Environmental Analysis (SEA) in its independent investigation) cannot be made before the exemptions' effective date. See *Exemption of Out-of-Service Rail Lines*, 5 I.C.C.2d 377 (1989). Any request for a stay should be filed as soon as possible so that the Board may take appropriate action before the exemptions' effective date.

² Each OFA must be accompanied by the filing fee, which currently is set at \$1,300. See 49 CFR 1002.2(f)(25).

By the Board, David M. Konschnik,
Director, Office of Proceedings.

Vernon A. Williams,
Secretary.

DEPARTMENT OF THE TREASURY

**Financial Literacy and Education
Commission's Two-Day Summit on
Kindergarten Through Postsecondary
Financial Education: Correction**

AGENCY: Departmental Offices, Treasury.

ACTION: Notice; correction.

SUMMARY: The Department of the Treasury published a document in the **Federal Register** of January 5, 2007, concerning the Financial Literacy and Education Commission's Two-Day Summit on Kindergarten through Postsecondary Financial Education. The document contained an incorrect name for the location of the second day of the event.

FOR FURTHER INFORMATION CONTACT: Luz Figueroa by e-mail at:

FLECstrategy@do.treas.gov or by telephone at (202) 622–5770 (not a toll free number).

Correction

In the **Federal Register** of January 5, 2007, in FR Doc. E6–22614, on page 625, in the last sentence of the third column, correct “Department of Education” to read “Department of the Treasury”.

Dated: January 18, 2007.

Dan Iannicola, Jr.,

Deputy Assistant Secretary for Financial Education.
