

- Absence of appearance of a lack of impartiality; and
- Background and experiences that would help members contribute to the diversity of perspectives on the Council, e.g., geographic, economic, social, cultural, educational backgrounds, professional affiliations, and other considerations.

Nominations must include a resume, which provides the nominee's background, experience and educational qualifications, as well as a brief statement (one page or less) describing the nominee's interest in serving on the Council and addressing the other criteria described above. Nominees should be identified by name, occupation, position, current business address, and email and telephone number. Interested candidates may self-nominate.

The DFO will acknowledge receipt of nominations. Nominees are encouraged to provide any additional information that they feel would be useful for consideration, such as: availability to participate as a member of the Council; how the nominee's background, skills and experience would contribute to the diversity of the Council; and any concerns the nominee has regarding membership.

Persons selected for membership will receive compensation for travel and a nominal daily compensation (if appropriate) while attending meetings. Additionally, selected candidates will be required to fill out the "Confidential Financial Disclosure Form for EPA Special Government Employees" [EPA Form 3310-48]. This confidential form allows EPA to determine whether there is a statutory conflict between that person's public responsibilities as a Special Government Employee and private interests and activities, or the appearance of a lack of impartiality, as defined by Federal regulation. The form may be viewed and downloaded through the "Ethics Requirements for Advisors" link on the OGWDW NDWAC Web site, <http://water.epa.gov/drink/ndwac/fact.cfm>.

Other sources, in addition to this **Federal Register** notice, may also be utilized in the solicitation of nominees.

To help the EPA in evaluating the effectiveness of its outreach efforts, please tell us how you learned of this opportunity.

Dated: October 11, 2012.

Pamela S. Barr,

Acting Director, Office of Ground Water and Drinking Water.
