

Act. Parties that filed entries of appearance in the preliminary phase of the investigations need not enter a separate appearance for the final phase of the investigations. Industrial users, and, if the merchandise under investigation is sold at the retail level, representative consumer organizations have the right to appear as parties in Commission antidumping and countervailing duty investigations. The Secretary will prepare a public service list containing the names and addresses of all persons, or their representatives, who are parties to the investigations.

### Background

On July 9, 2019, the Wind Tower Trade Coalition (Arcosa Wind Towers, Inc. (Dallas, Texas) and Broadwind Towers, Inc. (Manitowoc, Wisconsin)) filed petitions with the Commission and Commerce, alleging that an industry in the United States is materially injured or threatened with material injury by reason of subsidized imports of wind towers from Canada, Indonesia, and Vietnam, and LTFV imports of wind towers from Canada, Indonesia, Korea, and Vietnam. Accordingly, effective July 9, 2019, the Commission, pursuant to sections 703(a) and 733(a) of the Act (19 U.S.C. 1671b(a) and 1673b(a)), instituted countervailing duty investigation Nos. 701-TA-627-629 and antidumping duty investigation Nos. 731-TA-1458-1461 (Preliminary).

Notice of the institution of the Commission's investigations and of a public conference to be held in connection therewith was given by posting copies of the notice in the Office of the Secretary, U.S. International Trade Commission, Washington, DC, and by publishing the notice in the **Federal Register** of July 15, 2019 (84 FR 33784). The conference was held in Washington, DC, on July 30, 2019, and all persons who requested the opportunity were permitted to appear in person or by counsel.

The Commission made these determinations pursuant to sections 703(a) and 733(a) of the Act (19 U.S.C. 1671b(a) and 1673b(a)). It completed and filed its determinations in these investigations on August 23, 2019. The views of the Commission are contained in USITC Publication 4952 (August 2019), entitled *Utility Scale Wind Towers from Canada, Indonesia, Korea, and Vietnam: Investigation Nos. 701-TA-627-629 and 731-TA-1458-1461 (Preliminary)*.

By order of the Commission.

## INTERNATIONAL TRADE COMMISSION

[Investigation Nos. 701-TA-609 and 731-TA-1421 (Final)]

### Steel Trailer Wheels From China; Determinations

On the basis of the record<sup>1</sup> developed in the subject investigations, the United States International Trade Commission ("Commission") determines, pursuant to the Tariff Act of 1930 ("the Act"), that an industry in the United States is materially injured by reason of imports of steel trailer wheels ("trailer wheels") from China, provided for in subheading 8716.90.50 of the Harmonized Tariff Schedule of the United States, that have been found by the U.S. Department of Commerce ("Commerce") to be sold in the United States at less than fair value ("LTFV") and to be subsidized by the government of China.<sup>2</sup>

### Background

The Commission, pursuant to sections 705(b) and 735(b) of the Act (19 U.S.C. 1671d(b) and 19 U.S.C. 1673d(b)), instituted these investigations effective August 8, 2018, following receipt of a petition filed with the Commission and Commerce by Dexstar Wheel, Elkhart, Indiana. The final phase of the investigations was scheduled by the Commission following notification of preliminary determinations by Commerce that imports of trailer wheels from China were subsidized within the meaning of section 703(b) of the Act (19 U.S.C. 1671b(b)) and sold at LTFV within the meaning of 733(b) of the Act (19 U.S.C. 1673b(b)). Notice of the scheduling of the final phase of the Commission's investigations and of a public hearing to be held in connection therewith was given by posting copies of the notice in the Office of the Secretary, U.S. International Trade Commission, Washington, DC, and by publishing the notice in the **Federal Register** on May 2, 2019 (84 FR 18862). The schedule was revised in a subsequent notice published in the **Federal Register** on July 23, 2019 (84 FR 35422). The hearing was held in Washington, DC, on July 9, 2019, and all persons who requested the opportunity were permitted to appear in person or by counsel.

<sup>1</sup> The record is defined in sec. 207.2(f) of the Commission's Rules of Practice and Procedure (19 CFR 207.2(f)).

<sup>2</sup> The Commission also finds that imports subject to Commerce's affirmative critical circumstances determination are not likely to undermine seriously the remedial effect of the countervailing and antidumping duty orders on trailer wheels from China.
