SUPPLEMENTARY INFORMATION:

Title: Agricultural Trade Promotion Program.

OMB Number: 0551–0049.

Expiration Date of Approval: August 31, 2022.

Type of Request: Extension of a currently approved information collection.

Abstract: Under the Agricultural Trade Promotion Program (ATP), information will be gathered from existing program participants that have been approved to conduct market promotion activities that promote U.S. agricultural commodities in foreign markets, including activities that address existing or potential non-tariff barriers to trade. The information collected will be used primarily by FAS to manage, plan, evaluate, and account for government resources.

Estimate of Burden: The public reporting burden for each respondent resulting from information collected under the ATP varies in direct relation to the number and type of agreements entered into by such respondents. The estimated average reporting burden for the ATP is 16 hours per response.

Type of Respondents: Nonprofit U.S. agricultural trade organizations, nonprofit state regional trade groups, U.S. agricultural cooperatives, and state agencies.
