**AGENCY:** Enforcement and Compliance, International Trade Administration, Department of Commerce.

**SUMMARY:** The U.S. Department of Commerce (Commerce) determines that Shanghai Tainai Bearing Co., Ltd.

(Tainai) made no shipments of the subject merchandise during the period of review (POR) June 1, 2022, through May 31, 2023.

**DATES:** Applicable August 20, 2024.

**FOR FURTHER INFORMATION CONTACT:** Jerry Xiao, AD/CVD Operations, Office II, Enforcement and Compliance, International Trade Administration, U.S. Department of Commerce, 1401 Constitution Avenue NW, Washington, DC 20230; telephone: (202) 482-2273.

#### **SUPPLEMENTARY INFORMATION:**

##### **Background**

On May 2, 2024 Commerce published in the **Federal Register** the *Preliminary Results* of the 2022-2023 administrative review<sup>1</sup> of the antidumping duty on tapered roller bearings and parts thereof, finished and unfinished (TRBs) from the People's Republic of China (China).<sup>2</sup> We invited interested parties to comment on the *Preliminary Results*.<sup>3</sup> No interested party submitted comments. Accordingly, we made no changes to the *Preliminary Results*. On July 22, 2024, Commerce tolled certain deadlines in this administrative proceeding by seven days. The deadline for the final results is now September 6, 2024.<sup>4</sup>

##### **Scope of the Order**

The products subject to the order are TRBs. For a complete description of the scope of the order, see the *Preliminary Results*.<sup>5</sup>

##### **Final Determination of No Shipments**

In the *Preliminary Results*, Commerce determined that Tainai had no shipments of TRBs during the POR, based on Tainai's timely submitted no-shipment certification and our analysis of information from U.S. Customs and Border Protection (CBP).<sup>6</sup> We received no comments with respect to our preliminary finding. Therefore, for these

final results, we continue to determine that Tainai had no shipments of subject merchandise during the POR.

##### **Assessment Rates**

Commerce shall determine, and CBP shall assess, antidumping duties on all appropriate entries in accordance with section 751(a)(2)(C) of the Tariff Act of 1930, as amended (the Act), and 19 CFR 351.212(b). As Commerce continues to find that Tainai did not have any shipments of subject merchandise during the POR, we will instruct CBP to assess any suspended entries of subject merchandise associated with Tainai at the China-wide rate (i.e., 92.84 percent).

Commerce intends to issue assessment instructions to CBP no earlier than 35 days after the date of publication of these final results of review in the **Federal Register**. If a timely summons is filed at the U.S. Court of International Trade, the assessment instructions will direct CBP not to liquidate relevant entries until the time for parties to file a request for a statutory injunction has expired (i.e., within 90 days of publication).

##### **Cash Deposit Requirements**

The following cash deposit requirements will be effective for all shipments of subject merchandise entered, or withdrawn from warehouse, for consumption on or after the publication date of the final results of this administrative review, as provided by section 751(a)(2)(C) of the Act: (1) for previously investigated or reviewed Chinese and non-Chinese exporters for which a review was not requested and that received a separate rate in a prior segment of this proceeding, the cash deposit rate will continue to be the existing exporter-specific rate published for the most recently-completed period; (2) for all Chinese exporters of subject merchandise that have not been found to be entitled to a separate rate, the cash deposit rate will be the rate for the China-wide entity; and (3) for all non-Chinese exporters of subject merchandise that have not received their own rate, the cash deposit rate will be the rate applicable to the Chinese exporter that supplied that non-Chinese exporter. These deposit requirements, when imposed, shall remain in effect until further notice.

##### **Notification to Importers**

This notice also serves as a final reminder to importers of their responsibility under 19 CFR 351.402(f)(2) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during the POR.

Failure to comply with this requirement could result in Commerce’s presumption that reimbursement of antidumping duties occurred and the subsequent assessment of double antidumping duties.

Administrative Protective Order

This notice also serves as a reminder to parties subject to an administrative protective order (APO) of their responsibility concerning the return or destruction of proprietary information disclosed under APO in accordance with 19 CFR 351.305(a)(3), which continues to govern business proprietary information in this segment of the proceeding. Timely written notification of the return or destruction of APO materials, or conversion to judicial protective order, is hereby requested. DATES: Applicable August 20, 2024.

FOR FURTHER INFORMATION CONTACT: Benito Ballesteros, AD/CVD Operations, Office IX, Enforcement and Compliance, International Trade Administration, U.S. Department of Commerce, 1401 Constitution Avenue NW, Washington, DC 20230; telephone: (202) 482–7425.

SUPPLEMENTARY INFORMATION:

Background

On June 6, 2024, Commerce published the *Preliminary Results* and invited comments from interested parties.<sup>1</sup> No interested party submitted comments on the *Preliminary Results*. Accordingly, the final results remain unchanged from the *Preliminary Results*, and thus, there is no decision memorandum accompanying this notice. On July 22, 2024, Commerce tolled certain deadlines in this administrative proceeding by seven days.<sup>2</sup> The deadline for these final results is now October 11, 2024. Commerce conducted this administrative review in accordance with section 751 of the Tariff Act of 1930, as amended (the Act).

Scope of the Order<sup>3</sup>

The merchandise covered by the Order is welded pipe from Türkiye. For a complete description of the scope of the Order, see the *Preliminary Results*.

Rate for Company Not Selected for Individual Examination

The Act and Commerce’s regulations do not address the rate to be applied to companies not selected for individual examination when Commerce limits its examination in an administrative review pursuant to section 777A(c)(2) of the Act. Generally, Commerce looks to section 735(c)(5) of the Act, which provides instructions for calculating the all-others rate in a less-than-fair value (LTFV) investigation, for guidance when calculating the rate for companies which were not selected for individual examination in an administrative review. Under section 735(c)(5)(A) of the Act, the all-others rate is normally “an amount equal to the weighted average of the estimated weighted-average dumping margins established for exporters and producers individually investigated, excluding any margins that are zero, *de minimis* (i.e.,

<sup>1</sup> See *Large Diameter Welded Pipe from the Republic of Türkiye: Preliminary Results and Rescission, in Part, of Antidumping Duty Administrative Review; 2022–2023*, 89 FR 48386 (June 6, 2024) (*Preliminary Results*), and accompanying Preliminary Decision Memorandum (PDM).

<sup>2</sup> See Memorandum, “Tolling of Deadlines for Antidumping and Countervailing Duty Proceedings,” dated July 22, 2024.

<sup>3</sup> See *Large Diameter Welded Pipe from the Republic of Turkey: Amended Final Affirmative Antidumping Duty Determination and Antidumping Duty Order*, 84 FR 18799 (May 2, 2019); and *Large Diameter Welded Pipe from the Republic of Turkey: Notice of Court Decision Not in Harmony With Amended Final Determination in the Less-Than-Fair-Value Investigation; Notice of Amended Final Determination Pursuant to Court Decision; and Notice of Revocation of Antidumping Duty Order, in Part*, 85 FR 35262 (June 9, 2020) (*Amended Final Determination*) (collectively, *Order*).

less than 0.5 percent), or determined entirely on the basis of facts available.” Where the weighted-average dumping margins for individually examined respondents are zero, *de minimis*, or determined based entirely on facts available, section 735(c)(5)(B) of the Act provides that Commerce may use “any reasonable method to establish the estimated all-others rate for exporters and producers not individually investigated . . . .” For these final results, we continue to calculate a weighted-average dumping margin of zero percent for HDM Celik Boru Sanyai Ve Ticaret A.S (HDM).<sup>4</sup> Therefore, consistent with our practice, we assigned a rate of zero percent to Emek Boru Makine Sanayi ve Ticaret A.S. (Emek Boru), the company not selected for individual examination in this review, in accordance with section 735(c)(5)(B) of the Act.

Final Results of Review

For these final results, we determine that the following estimated weighted-average dumping margin exists for the period May 1, 2022, through April 30, 2023:

Producer/exporter	Weighted-average dumping margin (percent)
HDM Celik Boru Sanyai Ve Ticaret A.S. <sup>5</sup>	0.00
Cimtas Boru Imalatlari ve Ticaret, Ltd	0.00
Emek Boru Makine Sanayi ve Ticaret A.S	0.00

Disclosure

Normally, Commerce will disclose to the parties in a proceeding the calculations performed in connection with the final results of review within five days of any public announcement or, if there is no public announcement, within five days of the date of publication of the notice of final results in the **Federal Register**, in accordance with 19 CFR 351.224(b). However, because we have made no changes from the *Preliminary Results*, there are no new calculations to disclose.

Assessment Rates

Pursuant to section 751(a)(2)(C) of the Act and 19 CFR 351.212(b)(1),

<sup>4</sup> We note that we also continue to assign HDM’s weighted-average dumping margin to Cimtas Boru Imalatlari ve Ticaret, Ltd. (Cimtas) pursuant to section 772(e) of the Act. For further discussion, see the *Preliminary Results* PDM at 4–5.

<sup>5</sup> Commerce initiated this review on both HDM and HDM Spiral Kaynakli Celik Boru A.S. (HDM Spiral). The English name of HDM Spiral is Spirally Welded Steel Pipe Inc.
