The direct sale will allow for the subject parcel to be formally consolidated with adjacent private property, the owner of which currently holds a land use authorization (Land Use Permit) for agricultural and residential purposes. The subject parcel is somewhat isolated and uneconomical to manage due to its location and authorized use for agricultural and residential purposes. Disposal would alleviate the processing and administration of this land use authorization. Regulations contained in 43 CFR 2711.3-3 make allowances for direct sales when a competitive sale is inappropriate and when the public
