

levels of government.” This final rule directly regulates growers, food processors, food handlers and food retailers, not States. This action does not alter the relationships or distribution of power and responsibilities established by Congress in the preemption provisions of FFDCA section 408(n)(4).

IX. Submission to Congress and the Comptroller General

The Congressional Review Act, 5 U.S.C. 801 *et seq.*, as added by the Small Business Regulatory Enforcement Fairness Act of 1996, generally provides that before a rule may take effect, the agency promulgating the rule must submit a rule report, which includes a copy of the rule, to each House of the Congress and to the Comptroller General of the United States. EPA will submit a report containing this rule and other required information to the U.S. Senate, the U.S. House of Representatives, and the Comptroller General of the United States prior to publication of this final rule in the **Federal Register**. This final rule is not a “major rule” as defined by 5 U.S.C. 804(2).

Federal-State Joint Board on Universal Service: Promoting Deployment and Subscriberhip in Unserved and Underserved Areas, Including Tribal and Insular Areas

AGENCY: Federal Communications Commission.

ACTION: Final rule; announcement of effective date.

SUMMARY: This document announces the effective date of the rules adopted in the Tribal Order amending the Commission's universal service rules to provide additional, targeted support under the Commission's low-income programs to create financial incentives for eligible telecommunications carriers to serve, and deploy telecommunications facilities in, areas that previously may have been regarded as high risk and unprofitable. The document was published in the **Federal Register** on August 4, 2000. Some of the rules contained information collection requirements.

DATES: The amendments to 47 CFR 54.401(d), 54.403(a)(2), 54.403(a)(3), 54.403(a)(4)(ii), 54.405(b), 54.409(c), 54.411(d), and 54.415(c) published at 65 FR 47883 (August 4, 2000) are effective September 5, 2000.

FOR FURTHER INFORMATION CONTACT:

Gene Fullano, Attorney, Common Carrier Bureau, Accounting Policy Division, (202) 418-7400.

SUPPLEMENTARY INFORMATION: On June 30, 2000, the Commission adopted in the *Tribal Order*, 65 FR 47883 (August 4, 2000), measures to promote telecommunications subscribership and infrastructure deployment within American Indian and Alaska Native tribal communities; to establish a framework for the resolution of eligible telecommunications carrier designation

requests under section 214(e)(6) of the Telecom Act; and to apply the framework to pending petitions for designation as eligible telecommunications carriers. A summary was published in the **Federal Register**. See 65 FR 47883, August 4, 2000. Some of the rules contained information collection requirements. We stated that the “rules contain information collection requirements that have not been approved by the Office of Management and Budget (OMB). The Commission will publish a document in the **Federal Register** announcing the effective date of these sections.” The information collections were approved by OMB on July 31, 2000. See OMB Nos. 3060-0774 and 3060-0810. This publication satisfies our statement that the Commission would publish a document announcing the effective date of the rules. It also amends the Commission's universal service rules to provide additional, targeted support under the Commission's low-income programs to create financial incentives for eligible telecommunications carriers to serve, and deploy telecommunications facilities in, areas that previously may have been regarded as high risk and unprofitable.
