Abstract: This information collection requests approval for a revision to a previously approved collection that includes annual reporting requirements for the Higher Education Emergency Relief Fund (HEERF) program and obtains information on how the funds were used. Under the current unprecedented national health emergency, the legislative and executive branches of government have come together to offer relief to those individuals and industries affected by the COVID-19 virus under the Coronavirus Aid, Relief, and Economic Security (CARES) Act, the Coronavirus Response and Relief Supplemental Appropriations Act (CRRSAA), and the American Rescue Plan (ARP). Targeted relief to institutions of higher education (IHEs) has been made available under the HEERF program. HEERF, originally established by Section 18004(a) of the CARES Act, Public Law 116-136 (March 27, 2020) and expanded through CRRSAA and ARP, authorizes the Secretary of Education to allocate formula grant funds to participating IHEs to address impacts of the COVID-19 virus.
