

education agencies in the 50 states and the District of Columbia. This letter officially announces the opening of the data collection period and requests some administrative data, such as their estimated date of submission, any change to the reporting format from prior year, and updated contact information for the state coordinator for the survey.

The survey form (F-33) contains item descriptions and definitions of the elementary-secondary education finance items collected jointly by the Census Bureau and NCES. It is used primarily as a worksheet and instruction guide by the state education agencies providing school finance data centrally for the school systems in their respective states. The Census Bureau collects almost all the finance data for local school systems from state education agency databases through central collection arrangements with the state education agencies. The states transfer this information in electronic format over the internet via file transfer protocol. The Census Bureau has also facilitated central collection of school system finance data by accepting data in multiple formats.

Supplemental forms are sent to local school systems in states where the state education agency cannot centrally provide information on assets (F-33-L1), indebtedness (F-33-L2), or both (F-33-L3). School systems have the option of completing a paper form to mail back to the Census Bureau or completing the survey using an online web application.

#### **Agency Information Collection Activities; Withdrawal of Prior Notice and Proposed Submission of Information Collection for OMB Review; Comment Request; Medical Exception Request**

The Department of Commerce (Department) published a notice in the **Federal Register** of its intent to request that the Office of Management and Budget (OMB) extend approval, without change, under the Paperwork Reduction Act (PRA), to a collection of information for its employees to request a medical exception to the COVID-19 vaccination requirement on January 25, 2022. That notice was withdrawn in light of the January 21, 2022 nationwide preliminary injunction enjoining implementation and enforcement of the federal employee vaccination

requirement pursuant to the President's Executive Order 14043 of September 9, 2021, "Requiring Coronavirus Disease 2019 Vaccination for Federal Employees." The Department sought comment on its new notice of intent to request that OMB approve, without change, under the PRA, a collection of information for its employees to request a medical exception to the COVID-19 vaccination requirement via the **Federal Register** on February 15, 2022, 87 FR 8561, during a 60-day comment period. This notice allows for an additional 30 days for public comments. We invite the general public and other Federal agencies to comment on proposed, and continuing information collections, which helps us assess the impact of our information collection requirements and minimize the public's reporting burden.

*Agency:* Office of the Secretary, Commerce.

*Title:* Request for a Medical Exemption to the COVID-19 Vaccination Requirement Form.

*OMB Control Number:* 0690-0036.

*Form Number(s):* None.

*Type of Request:* Regular submission; Extension of an already approved collection.

*Estimated Number of Respondents:* 1,000.

*Estimated Time per Response:* 10 minutes.

*Estimated Total Annual Burden Hours:* 167.

*Needs and Uses:* Under Executive Order 14043, every Federal agency must "implement, to the extent consistent with applicable law, a program to require COVID-19 vaccination for all of its federal employees, with exceptions only as required by law." In following this directive, the Department imposed a requirement that its employees must receive and submit proof of COVID-19 vaccination. As required by 29 U.S.C. 701 *et seq.* and 29 CFR part 1630, the Department allows an exception from the vaccination requirement for employees who demonstrate medical reasons or disabilities that would make the COVID-19 vaccine unsafe for them. To obtain this exception, employees can submit the *Request for Medical Exception to the COVID-19 Vaccination Requirement* form available from the Department's COVID-19 Information Hub. The Department uses the information on this form to verify employees' assertions that they are entitled to an exception to the COVID-19 vaccination requirement because of their medical or disability statuses.

*Affected Public:* Federal employees and medical providers.

*Legal Authority:* Executive Order (E.O.) 14043.
