SUPPLEMENTARY INFORMATION:

I. Abstract

EDA's mission is to lead the federal economic development agenda by promoting innovation and competitiveness, preparing American regions for growth and success in the

worldwide economy. To accomplish this mission, EDA administers several programs authorized under the Public Works and Economic Development Act of 1965 ((42 U.S.C. 3121 *et seq.*) (PWEDA) and under chapters 3, 4, and 5 of the Trade Act of 1974 (19 U.S.C. 2341 *et seq.*) (Trade Act)).

The Trade and Globalization Adjustment Assistance Act (TGAAA), part of the American Recovery and Reinvestment Act of 2009, amended chapter 4 of the Trade Act to establish the Community Trade Adjustment Assistance (Community TAA) Program, which is designed to assist U.S. communities suffering negative effects from trade impacts and will be administered by EDA.

The amended Trade Act requires that a community have a Cognizable Certification, which is a certification by the Secretaries of Labor, Commerce, or Agriculture under the TAA for Workers, Firms, or Farmers programs, respectively and petition for EDA to make an Affirmative Determination that a community is significantly affected by the threat to, or loss of, jobs associated with the Cognizable Certification as a threshold before receiving a grant under the program. EDA plans to make such petitions as minimally burdensome as possible and to process petitions using the OMB-approved Application for Federal Assistance (Form SF-424) to reduce confusion and ensure standard information. EDA intends to request that a petitioning community complete Items 1-16 and 21 of Form SF-424. For Item 15, recipients will be required to complete a formula provided by EDA using their Civilian Labor Force (CLF) data, which is readily available from the Bureau of Labor Statistics, and provide a brief narrative describing the threat to, or loss of, jobs associated with a Cognizable Certification.

Applicants also must identify the applicable Cognizable Certification upon which the community bases its petition or petition-application. For TAA Workers Cognizable Certifications, the applicant community must provide the TAA petition number associated with the Department of Labor's certification decision. For TAA for Firms certifications, the applicant community must provide the name of the firm certified under the program and locator number in the official notification letter provided by the Department of Commerce to the certified firm. For TAA for Farmers certifications, the applicant community must provide the name of the certified agricultural commodity and the record identifier provided by the Department of Agriculture. Recipients do not have to
