SUPPLEMENTARY INFORMATION:

Background

The National Parks Air Tour Management Act of 2000 (NPATMA), enacted on April 5, 2000, as Public Law 106-181, required the establishment of the NPOAG within one year after its enactment. The Act requires that the NPOAG be a balanced group of representatives of general aviation, commercial air tour operations, environmental concerns, and Native American tribes. The Administrator of the FAA and the Director of NIPS (or their designees) serve as ex officio members of the group. Representatives of the Administrator and Director serve alternating 1-year terms as chairman of the advisory group.

The duties of the NPOAG include providing advice, information, and recommendations to the FAA Administrator and the NIPS Director on: Implementation of Public Law 106-181; quiet aircraft technology; other measures that might accommodate interests to visitors of national parks; and at the request of the Administrator and the Director, on safety, environmental, and other issues related to commercial air tour operations over national parks or tribal lands.

Agenda for the September 3-4, 2008 NPOAG Meeting

The agenda for the meeting will include, but is not limited to, the following: Development of a Strategic Plan, review and approval of the meeting minutes from the September 25-26, 2007 NPOAG meeting in Fort Collins, CO; update on ongoing Air Tour Management Program projects; and NPOAG subgroup assignments.

Attendance at the Meetings

This NPOAG meeting will be conducted in closed session and will not be open to the public.
