(2) How the State distributed the funds it received under this title;

(3) The number of jobs that the Governor estimates were saved or created with funds the State received under this title;

(4) Tax increases that the Governor estimates were averted because of the availability of funds from this title;

(8) A description of each modernization, renovation and repair project funded, which shall include the amounts awarded and project costs.

Each State will submit to the Department two SFSF annual reports. The initial report will be due to the Department by January 7, 2011. This report will cover the period from the State's receipt of SFSF funds through September 30, 2010. Each State must submit its final SFSF report by January 6, 2012. The final report will provide data for the period extending through September 30, 2011, the deadline for obligation of SFSF funds.

The Department will, with the assistance of a contractor, evaluate the information in each report and use the data to prepare for the Congress the Secretary's Report required under Section 14110 of the ARRA. In addition,

the data will inform the Department's administration and oversight of the program. In particular, it will provide useful information on the uses and impact of SFSF funds.

DATES: Interested persons are invited to submit comments on or before August 23, 2010.

SUPPLEMENTARY INFORMATION: Section 3506 of the Paperwork Reduction Act of 1995 (44 U.S.C. Chapter 35) requires that the Office of Management and Budget (OMB) provide interested Federal agencies and the public an early opportunity to comment on information collection requests. OMB may amend or waive the requirement for public consultation to the extent that public participation in the approval process would defeat the purpose of the information collection, violate State or Federal law, or substantially interfere with any agency's ability to perform its statutory obligations. The Director, Information Collection Clearance Division, Regulatory Information Management Services, Office of

Management, publishes that notice containing proposed information collection requests prior to submission of these requests to OMB. Each proposed information collection, grouped by office, contains the following: (1) Type of review requested, e.g. new, revision, extension, existing or reinstatement; (2) Title; (3) Summary of the collection; (4) Description of the need for, and proposed use of, the information; (5) Respondents and frequency of collection; and (6) Reporting and/or Recordkeeping burden. Abstract: The Office of Migrant Education is collecting information for the High School Equivalency Program Annual Performance Report in compliance with Higher Education Act of 1965, as amended, Title IV, Sec. 418A; 20 U.S.C. 1070d-2 (special programs for students whose families are engaged in migrant and seasonal farm work), the Government Performance Results Act (GPRA) of 1993, Section 4 (1115), and the Education Department General Administrative Regulations (EDGAR), 34 CFR 75.253. EDGAR states that

recipients of multi-year discretionary grants must submit an Annual Performance Report demonstrating that substantial progress has been made towards meeting the approved objectives of the project. In addition, discretionary grantees are required to report on their progress toward meeting the performance measures established for the Department of Education grant program. The Office of Migrant Education requests a revision of a currently approved collection to continue the use of a customized Annual Performance Report that goes beyond the Department of Education generic form number 524B Annual Performance Report to facilitate the collection of more standardized and comprehensive data to inform GPRA, to improve the overall quality of data collected, and to increase the quality of data that can be used to inform policy decisions.
