and Training Administration (ETA) sponsored information collection request (ICR) revision titled, "Transmittal for Unemployment Insurance Materials," to the Office of Management and Budget (OMB) for review and approval for use in accordance with the Paperwork Reduction Act (PRA) of 1995. Public comments on the ICR are invited.

**DATES:** The OMB will consider all written comments that agency receives on or before September 30, 2019.

**ADDRESSES:** A copy of this ICR with applicable supporting documentation; including a description of the likely respondents, proposed frequency of response, and estimated total burden may be obtained free of charge from the *RegInfo.gov* website at [http://www.reginfo.gov/public/do/PRAViewICR?ref\\_nbr=201907-1205-003](http://www.reginfo.gov/public/do/PRAViewICR?ref_nbr=201907-1205-003) (this link will only become active on the day following publication of this notice) or by contacting Frederick Licari by telephone at 202-693-8073, TTY 202-693-8064, (these are not toll-free numbers) or sending an email to [DOL\\_PRA\\_PUBLIC@dol.gov](mailto:DOL_PRA_PUBLIC@dol.gov).

**FOR FURTHER INFORMATION CONTACT:** Frederick Licari by telephone at 202-693-8073, TTY 202-693-8064, (these are not toll-free numbers) or sending an email to [DOL\\_PRA\\_PUBLIC@dol.gov](mailto:DOL_PRA_PUBLIC@dol.gov).

**SUPPLEMENTARY INFORMATION:** This ICR seeks approval under the PRA for revisions to the Transmittal for Unemployment Insurance Materials. The Social Security Act (SSA) section 303(a)(6) requires as a condition of a State receiving an administrative grant, that State laws contains a provision for the making of such reports, in such form and containing such information, as the Secretary of Labor may from time to time require and compliance with such provisions as the Secretary of Labor may from time to time find necessary to assure the correctness and verification

of such reports. Regulations 20 CFR 601.3, in part, implement this requirement by requiring submission of all relevant State materials, such as statutes, executive and administrative orders, legal opinions, rules, regulations, interpretations, court opinions, etc. In addition, the Unemployment Compensation for Federal Civilian Employees program regulations at 20 CFR 609.1(d)(1) and the Unemployment Compensation for Ex-Service Members program regulations at 20 CFR 614.1(d)(1) require submission of certain documents to ensure States properly administer these programs. Trade Adjustment Assistance (which includes Trade Readjustment Allowances) program regulations provide similar requirements at 20 CFR 617.52(c)(1). Form MA-8-7 is the mechanism for implementing these submittal requirements. Form MA-8-7 also provides the Secretary with sufficient information to determine if (a) Employers in a State qualify for tax credits under the Federal Unemployment Tax Act; (b) the State meets the requirements for obtaining administrative grants under SSA Title III; and (c) the State is fulfilling its obligations under Federal unemployment compensation programs. This information collection is a revision, because the Short Time Compensation (STC) Policies and Review of State Self-Employment Assistance (SEA) Policies were removed as ETA is only seeking information on state legislation and policies relating to work search at this time. Social Security Act of 1935 authorizes this information collection. See 42 U.S.C. 503(a)(6).

This information collection is subject to the PRA. A Federal agency generally cannot conduct or sponsor a collection of information, and the public is generally not required to respond to an information collection, unless the OMB, under the PRA, approves it and displays a currently valid OMB Control Number. In addition, notwithstanding any other provisions of law, no person shall generally be subject to penalty for failing to comply with a collection of information that does not display a valid Control Number. See 5 CFR 1320.5(a) and 1320.6. The DOL obtains OMB approval for this information collection under Control Number 1205-0222. The current approval is scheduled to expire on August 31, 2019; however, the DOL notes that existing information collection requirements submitted to the OMB will receive a month-to-month extension while they undergo review. New requirements would only take effect upon OMB approval. For
