Notice of Proposed Withdrawal; Oregon and California

AGENCY: Bureau of Land Management, Interior.

ACTION: Notice.

SUMMARY: The United States Department of Agriculture, Forest Service, filed an application to withdraw approximately 1,093,953 acres of National Forest System lands from location and entry under the mining laws to protect the nationally significant ecologic and biologic diversity of the Siskiyou Wild Rivers area which also contain outstanding scenic and recreation values, and special status plant and animal species and their habitats. The lands remain open to such uses as may be made of National Forest System lands.

DATES: Written comments should be received on or before April 23, 2001.

ADDRESSES: Written comments should be sent to the Office of the Chief, Forest Service, U.S. Department of Agriculture, 201 14th Street, SW. at Independence Ave., SW., Washington, DC 20250.

SUPPLEMENTARY INFORMATION: The purpose of the proposed withdrawal is to protect the nationally significant ecologic and biologic diversity of the Siskiyou Wild Rivers area which also contain outstanding scenic and recreation values, and special status plant and animal species and their habitats while it is determined whether special management designation for the area is warranted and to assess the views of the public on such a designation. The proposal, if finalized, would withdraw the following described National Forest System lands from location and entry under the mining laws. The lands will remain open to such uses as may be made of National Forest System lands subject to valid existing rights:
