SUPPLEMENTARY INFORMATION: On April 22, 2021, FEMA published a Request for Information on FEMA Programs, Regulations, and Policies.¹ FEMA is seeking public input on specific FEMA programs, regulations, collections of information, and policies for the agency to consider modifying, streamlining, expanding, or repealing in light of recent Executive orders. These efforts aim to help FEMA ensure that its programs, regulations, and policies contain necessary, properly tailored,

and up-to-date requirements that effectively achieve FEMA's mission in a manner that furthers the goals of advancing equity for all, including those in underserved communities; bolstering resilience from the impacts of climate change, particularly for those disproportionately impacted by climate change; and environmental justice.

Specifically, FEMA seeks this input pursuant to the processes required by Executive Orders 13985, 13990, and 14008 that require agencies to assess existing programs and policies to determine if: (1) Agency programs and policies perpetuate systemic barriers to opportunities and benefits for people of color and other underserved groups; (2) additional agency actions are required to bolster resilience to climate change; and (3) agency programs, policies, and activities address the disproportionately high and adverse climate-related impacts on disadvantaged communities. Consistent with Executive Order 13563 and Executive Order 13707, FEMA further seeks this input to ensure that it is implementing its programs in a manner that builds disaster readiness and closes national capability gaps through data-driven approaches and risk-informed preparedness and mitigation investments as well as in delivering the Agency's response and recovery mission sets.

The purpose of the request for information is to seek general feedback on FEMA's programs. Individuals cannot apply for FEMA assistance by submitting a comment in the **Federal Register**. If you are an individual who has been impacted by a disaster and you are seeking assistance from FEMA, please visit <https://www.fema.gov/assistance/individual> or call the FEMA Helpline (1–800–621–3362/TTY (800) 462–7585) to apply or receive information on a pending request.

FEMA is holding public meetings and extending the comment period to ensure all interested parties have sufficient opportunity to provide comments on FEMA's programs. FEMA will carefully consider all relevant comments received during the meetings, and during the rest of the comment period. All comments or remarks provided on the request for information during the meeting will be recorded and posted to the rulemaking docket on <https://www.regulations.gov>.
