a. Background

Basic revised information on Army Board for Correction of Military Records was previously published in the **Federal Register**, Volume 63, No. 188, pages 51875-51878, September 29, 1998 for public comment.

b. Comments and Responses

Comment: Only one respondent provided comment. The respondent objected to the authority of the ABCMR staff to review and reject requests for reconsideration without Board consideration.

Response: The respondent had a different interpretation of the ABCMR staff's authority and a different definition of a "request for reconsideration" which was noted. The staff in its administrative review can only reject a request for reconsideration if it fails to meet the published criteria for a proper request for reconsideration. There were no changes in policy made as a result of the respondent's comments.

Paperwork Reduction Act

In compliance with The Paperwork Reduction Act, information collection is required on Department of Defense Form 149 titled "Application for Correction of Military Record". The form is necessary to identify specific types of information in support of the Army Board requirements.
