Certain Steel Nails From Malaysia: Preliminary Results and Partial Rescission of Antidumping Duty Administrative Review; 2019–2020

AGENCY: Enforcement and Compliance, International Trade Administration, Department of Commerce.

SUMMARY: The Department of Commerce (Commerce) preliminarily finds that certain steel nails from Malaysia were sold in the United States at less than normal value during the period of review, July 1, 2019, through June 30, 2020. Interested parties are invited to comment on these preliminary results.

DATES: Applicable August 3, 2021.

FOR FURTHER INFORMATION CONTACT: Preston Cox, AD/CVD Operations, Office VI, Enforcement and Compliance, International Trade Administration, U.S. Department of Commerce, 1401 Constitution Avenue NW, Washington, DC 20230; telephone: (202) 482–5041.

SUPPLEMENTARY INFORMATION:

Background

On September 3, 2020, Commerce published the notice of initiation of the

administrative review of the antidumping duty order on certain steel nails from Malaysia.¹ On October 27, 2020, Commerce selected Region International Co., Ltd. and Region System Sdn. Bhd. (collectively, Region) as the mandatory respondent in this administrative review.² On March 25, 2021, we extended the time limit for completion of these preliminary results to July 30, 2021, in accordance with section 751(a)(3)(A) of the Tariff Act of 1930, as amended (the Act).³ For a complete description of the events that followed the initiation of this review, see the Preliminary Decision Memorandum.⁴

Scope of the Order

The products covered by the scope of the order are certain steel nails from Malaysia. For a complete description of the scope of this administrative review, see the Preliminary Decision Memorandum.

Partial Rescission of Administrative Review

In the *Initiation Notice*, we initiated a review of twenty-five companies. Subsequently, Mid Continent Steel & Wire, Inc. (the petitioner) withdrew its request for review with respect to twenty of these companies.⁵ No other parties had requested a review of these companies. Thus, in response to the petitioner's timely withdrawal of its request and pursuant to 19 CFR 351.213(d)(1), we are rescinding the administrative review of the twenty companies listed in Appendix II to this notice.

¹ See *Initiation of Antidumping and Countervailing Duty Administrative Reviews*, 85 FR 54983 (September 3, 2020) (*Initiation Notice*).

² See Memorandum, “Administrative Review of Antidumping Duty Order on Certain Steel Nails from Malaysia: Respondent Selection,” dated October 27, 2020. Commerce has preliminarily determined to collapse the Region companies and treat them as a single entity. For a discussion of the collapsing criteria, see Memorandum, “Analysis Memorandum for Region International Co., Ltd. and Region System Sdn. Bhd. in the Preliminary Results of the 2019/2020 Administrative Review of the Antidumping Duty Order on Certain Steel Nails from Malaysia,” dated concurrently with this notice.

³ See Memorandum, “Certain Steel Nails from Malaysia: Extension of Deadline for Preliminary Results of Antidumping Duty Administrative Review; 2019–2020,” dated March 25, 2021.

⁴ See Memorandum, “Certain Steel Nails from Malaysia: Decision Memorandum for Preliminary Results and Partial Rescission of Antidumping Duty Administrative Review; 2019–2020,” dated concurrently with, and hereby adopted by, this notice (Preliminary Decision Memorandum).

⁵ See Petitioner's Letter, “Certain Steel Nails from Malaysia—Withdrawal of Request for Administrative Review,” dated September 24, 2020 (Petitioner's Withdrawal of Request for Administrative Review).

Methodology

Commerce is conducting this review in accordance with section 751(a) of the Act. For a full description of the methodology underlying these preliminary results, see the Preliminary Decision Memorandum. The Preliminary Decision Memorandum is a public document and is made available to the public via Enforcement and Compliance's Antidumping and Countervailing Duty Centralized Electronic Service System (ACCESS). ACCESS is available to registered users at <http://access.trade.gov>. In addition, a complete version of the Preliminary Decision Memorandum can be found at <http://enforcement.trade.gov/frn/index.html>. A list of the topics discussed in the Preliminary Decision Memorandum is attached as Appendix I to this notice.

Rate for Non-Selected Companies

The statute and Commerce's regulations do not address the establishment of a rate to be applied to companies not selected for individual examination when Commerce limits its examination in an administrative review pursuant to section 777A(c)(2) of the Act. Generally, Commerce looks to section 735(c)(5) of the Act, which provides instructions for calculating the all-others rate in a market economy investigation, for guidance when calculating the rate for companies which were not selected for individual examination in an administrative review. Under section 735(c)(5)(A) of the Act, the all-others rate is normally “an amount equal to the weighted average of the estimated weighted average dumping margins established for exporters and producers individually investigated, excluding any zero or *de minimis* margins, and any margins determined entirely {on the basis of facts available}.”

In this review, we preliminarily calculated a weighted-average dumping margin for Region that was not zero, *de minimis*, or based on facts available. Accordingly, we have preliminarily assigned the weighted-average dumping margin calculated for Region as the weighted-average dumping margin for the non-individually examined companies.

Preliminary Results of Review

We preliminarily determine that the following estimated weighted-average dumping margins exist for the period July 1, 2019, through June 30, 2020:
