BILLING CODE 4312-HK-P

DEPARTMENT OF THE INTERIOR

National Park Service

Notice of Inventory Completion: University of Oregon, Oregon State Museum of Anthropology, Eugene, OR; Correction

AGENCY: National Park Service, Interior.

ACTION: Notice; correction.

Notice is here given in accordance with the Native American Graves Protection and Repatriation Act (NAGPRA), 25 U.S.C. 3003, of the completion of an inventory of human remains in the possession of the University of Oregon, Oregon State Museum of Anthropology, Eugene, OR. The human remains were removed from an unknown site in eastern Oregon.

This notice is published as part of the National Park Service's administrative responsibilities under NAGPRA, 25 U.S.C. 3003 (d)(3). The determinations in this notice are the sole responsibility of the museum, institution, or Federal agency that has control of the Native American human remains. The National Park Service is not responsible for the determinations in this notice.

This notice corrects the culturally affiliated groups listed in a Notice of Inventory Completion published in the **Federal Register** (73 FR 79908-79909, December 30, 2008), by the addition of the Confederated Tribes of the Colville Reservation, Washington. After publication of the notice, officials of the Oregon State Museum of Anthropology were contacted by the Confederated Tribes of the Colville Reservation, who indicated that the Chief Joseph Band of the Nez Perce is a constituent member of the Confederated Tribes of the Colville Reservation and has aboriginal lands that lie in eastern Oregon. The original Notice of Inventory Completion included the Nez Perce Tribe, Idaho among the culturally affiliated tribes, but not the Chief Joseph Band of the Nez Perce. This notice replaces the one published in the **Federal Register** of December 30, 2008 with the following:

A detailed assessment of the human remains was made by Oregon State Museum of Anthropology professional staff in consultation with representatives of the Burns Paiute Tribe; Confederated Tribes of the

Colville Reservation, Washington; Confederated Tribes of the Umatilla Indian Reservation, Oregon; Confederated Tribes of the Warm Springs Reservation of Oregon; Confederated Tribes and Bands of the Yakama Nation, Washington; Klamath Tribes, Oregon; and Nez Perce Tribe, Idaho.

In 1952, human remains representing a minimum of one individual were donated to the Oregon State Museum of Anthropology by the Crime Detection Laboratory, Oregon Medical School, Portland, OR. Museum records identify the human remains as an "Indian male from E. Oregon." No further information is available. No known individual was identified. No associated funerary objects are present.

The human remains were determined to be Native American based on skeletal morphology. Based on museum records of the provenience, the human remains are most likely culturally affiliated with tribes whose aboriginal lands lie in the area of eastern Oregon. Tribes that have aboriginal lands in eastern Oregon are represented by the present-day Burns Paiute Tribe; Confederated Tribes of the Colville Reservation, Washington; Confederated Tribes of the Umatilla Indian Reservation, Oregon; Confederated Tribes of the Warm Springs Reservation of Oregon; Confederated Tribes and Bands of the Yakama Nation, Washington; Klamath Tribes, Oregon; and Nez Perce Tribe, Idaho.

Officials of the Oregon State Museum of Anthropology have determined that, pursuant to 25 U.S.C. 3001 (9-10), the human remains described above represent the physical remains of one individual of Native American ancestry. Officials of the Oregon State Museum also have determined that, pursuant to 25 U.S.C. 3001 (2), there is a relationship of shared group identity that can be reasonably traced between the Native American human remains and the Burns Paiute Tribe; Confederated Tribes of the Colville Reservation, Washington; Confederated Tribes of the Umatilla Indian Reservation, Oregon; Confederated Tribes of the Warm Springs Reservation of Oregon; Confederated Tribes and Bands of the Yakama Nation, Washington; Klamath Tribes, Oregon; and/or Nez Perce Tribe, Idaho.

Representatives of any other Indian tribe that believes itself to be culturally affiliated with the human remains should contact Pamela Endzweig, Oregon State Museum of Anthropology, 1224 University of Oregon, Eugene, OR 97403-1224, telephone (541) 346-5115, before August 24, 2009. Repatriation of

the human remains to the Burns Paiute Tribe; Confederated Tribes of the Colville Reservation, Washington; Confederated Tribes of the Umatilla Indian Reservation, Oregon; Confederated Tribes of the Warm Springs Reservation of Oregon; Confederated Tribes and Bands of the Yakama Nation, Washington; Klamath Tribes, Oregon; and/or Nez Perce Tribe, Idaho may proceed after that date if no additional claimants come forward.

The Oregon State Museum of Anthropology is responsible for notifying the Burns Paiute Tribe; Confederated Tribes of the Colville Reservation, Washington; Confederated Tribes of the Umatilla Indian Reservation, Oregon; Confederated Tribes of the Warm Springs Reservation of Oregon; Confederated Tribes and Bands of the Yakama Nation, Washington; Klamath Tribes, Oregon; and Nez Perce Tribe, Idaho that this notice has been published.

Dated: July 9, 2009

Sherry Hutt,

Manager, National NAGPRA Program.

BILLING CODE 4312-50-S

INTERNATIONAL TRADE COMMISSION

[Inv. No. 337-TA-681]

In the Matter of Certain Lighting Control Devices Including Dimmer Switches and Parts Thereof; Notice of Investigation

AGENCY: U.S. International Trade Commission.

ACTION: Institution of investigation pursuant to 19 U.S.C. 1337.

SUMMARY: Notice is hereby given that a complaint was filed with the U.S. International Trade Commission on June 23, 2009, under section 337 of the Tariff Act of 1930, as amended, 19 U.S.C. 1337, on behalf of Lutron Electronics Co., Inc. of Coopersburg, Pennsylvania. The complaint alleges violations of section 337 based upon the importation into the United States, the sale for importation, and the sale within the United States after importation of certain lighting control devices including dimmer switches and parts thereof that infringe certain claims of U.S. Patent No. 5,637,930. The complaint further alleges that an industry in the United States exists as required by subsection (a)(2) of section 337.

The complainant requests that the Commission institute an investigation
