

SUMMARY: The NOAA Office of Ocean and Coastal Resource Management (OCRM) announces its intent to evaluate the performance of the Mississippi Coastal Management Program, and the Ashepoo-Combahee-Edisto (ACE) Basin National Estuarine Research Reserve, South Carolina.

The Coastal Zone Management Program evaluation will be conducted pursuant to section 312 of the Coastal Zone Management Act of 1972 (CZMA), as amended and regulations at 15 CFR part 923, subpart L. The National Estuarine Research Reserve evaluation will be conducted pursuant to sections 312 and 315 of the Coastal Zone Management Act of 1972 (CZMA), as amended and regulations at 15 CFR part 921, subpart E and part 923, subpart L.

The CZMA requires continuing review of the performance of states with respect to coastal program and research reserve program implementation. Evaluation of Coastal Zone Management Programs and National Estuarine Research Reserves requires findings concerning the extent to which a state has met the national objectives, adhered to its Coastal Management Program document or Reserve final management plan approved by the Secretary of Commerce, and adhered to the terms of financial assistance awards funded under the CZMA.

The evaluations will include a site visit, consideration of public comments, and consultations with interested Federal, state, and local agencies and members of the public. Public meetings will be held as part of the site visits.

Notice is hereby given of the dates of the site visits for the listed evaluations, and the dates, local times, and locations of the public meetings during the site visits.

The Mississippi Coastal Management Program evaluation site visit will be held January 7–11, 2002. One public meeting will be held during the week. The public meeting will be on Tuesday, January 8, 2002, at 5:30 p.m., in the Bolton State Office Building, 1141 Bayview Avenue, Biloxi, Mississippi.

The Ashepoo-Combahee-Edisto (ACE) Basin National Estuarine Research Reserve site visit will be from January 14–18, 2002. One public meeting will be held during the week. The public meeting will be held on Wednesday, January 16, 2002, at 7:00 p.m., at the Edisto Beach State Park Office, Edisto, South Carolina. This ACE Basin Reserve site visit replaces a site visit originally scheduled for December 10–14, 2001. Likewise, the public meeting scheduled above replaces a public meeting originally set for Wednesday, December 12, 2001. Notice of the earlier site visit

and public meeting was published in the **Federal Register**, September 20, 2001 (see 66 FR 48425).

Copies of states' most recent performance reports, as well as OCRM's notifications and supplemental request letters to the states, are available upon request from OCRM. Written comments from interested parties regarding these Programs are encouraged and will be accepted until 15 days after the public meeting. Please direct written comments to Douglas Brown, Acting Deputy Director, Office of Ocean and Coastal Resource Management, NOS/NOAA, 1305 East-West Highway, 10th floor, Silver Spring, Maryland 20910. When the evaluations are completed, OCRM will place a notice in the **Federal Register** announcing the availability of the Final Evaluation Findings.

COMMISSION ON THE FUTURE OF THE UNITED STATES AEROSPACE INDUSTRY

Public Meeting

AGENCY: Commission on the Future of the United States Aerospace Industry.

ACTION: Notice.

SUMMARY: The purpose of the meeting is to hear testimony from the Congressional sponsors of the Commission and Administration and Federal Agency officials regarding their priorities for the Commission and views on the future of aerospace. The Commissioners will then deliberate based on the testimony and extensive information previously received from the public and industry. They will decide on the scope and priorities of the Commission's year-long effort and identify initial studies, products and contents.

Section 1092 of the Floyd D. Spence National Defense Authorization Act for Fiscal Year 2001 (Pub. L. 106-398) established the Commission on the Future of the United States Aerospace Industry to study the issues associated with the future of the United States national security; and assess the future importance of the domestic aerospace industry for the economic and national security of the United States. The Commission is governed by the provisions of the Federal Advisory Committee Act, Pub. L. 92-463, as amended (5 U.S.C. Appendix 2), which sets forth standards for the formation of advisory committees and implementing regulations (41 CFR subpart 101-6.10).
