**Title:** Consumer Protections for Depository Institution Sales of Insurance.

**OMB Control No.:** 1557–0220.

**Type of Review:** Regular.

**Affected Public:** Businesses or other for-profit.

**Description:** This information collection is required under section 305 of the Gramm-Leach-Bliley Act (GLB Act), 12 U.S.C. 1831x. Section 305 of the GLB Act requires the OCC, the Board of Governors of the Federal Reserve System, and the Federal Deposit Insurance Corporation (collectively, the Agencies) to prescribe joint consumer protection regulations that apply to retail sales practices, solicitations, advertising, and offers of any insurance product by a depository institution or by other persons performing these activities at an office of the institution or on behalf of the institution (other covered persons). Section 305 also requires those performing such activities to disclose certain information to consumers (e.g., that insurance products and annuities are not FDIC-insured).

This information collection requires national banks, Federal savings associations, and other covered persons involved in insurance sales, as defined in 12 CFR 14.20(f), to make two separate disclosures to consumers. Under 12 CFR 14.40, a national bank, Federal savings association, or other covered person must prepare and provide orally and in writing: (1) certain insurance disclosures to consumers before the completion of the initial sale of an insurance product or annuity to a consumer and (2) certain credit disclosures at the time of application for the extension of credit (if insurance products or annuities are sold, solicited, advertised, or offered in connection with an extension of credit). The insurance disclosures are required in advertisements and promotional material for insurance products or annuities unless the advertisements and promotional materials are of a general nature describing or listing the services or products offered by the national bank or Federal savings association.

Consumers use the disclosures to understand the risks associated with insurance products and annuities and to understand that they are not required to purchase, and may refrain from purchasing, certain insurance products or annuities in order to qualify for an extension of credit.

**Estimated Frequency of Response:** On occasion.

**Estimated Number of Respondents:** 315.

**Total Estimated Burden Hours:** 1,575.
