Multiple Award Schedule Advisory Panel; Notification of Public Advisory Panel Meetings

AGENCY: U.S. General Services Administration (GSA).

ACTION: Notice.

SUMMARY: The U.S. General Services Administration (GSA) Multiple Award Schedule Advisory Panel (MAS Panel), a Federal Advisory Committee, will hold public meetings on the following dates: Monday, November 10, 2008 and Wednesday, November 12, 2008. GSA utilizes the MAS program to establish long-term Governmentwide contracts with responsible firms to provide Federal, State, and local government customers with access to a wide variety of commercial supplies (products) and services.

The MAS Panel was established to develop advice and recommendations on MAS program pricing policies, provisions, and procedures in the context of current commercial pricing practices. The Panel will be developing recommendations for MAS program pricing provisions for the acquisition of (1) professional services; (2) products; (3) total solutions which consist of professional services and products; and (4) non professional services. In developing the recommendations, the Panel will, at a minimum, address these 5 questions for each of the 4 types of acquisitions envisioned above: (1) Where does competition take place?; (2) If competition takes place primarily at the task/delivery order level, does a fair and reasonable price determination at the MAS contract level really matter?; (3) If the Panel consensus is that competition is at the task order level, are the methods that GSA uses to determine fair and reasonable prices and maintain the price/discount
