

DEPARTMENT OF LABOR**Office of Workers' Compensation Programs****Proposed Extension of Existing Collection; Comment Request****ACTION:** Notice.

SUMMARY: The Department of Labor, as part of its continuing effort to reduce paperwork and respondent burden, conducts a preclearance consultation program to provide the general public and Federal agencies with an opportunity to comment on proposed and/or continuing collections of information in accordance with the Paperwork Reduction Act of 1995 (PRA95) [44 U.S.C. 3506(c)(2)(A)]. SUPPLEMENTARY INFORMATION:**I. Background**

The form LS-570 is completed by the insurance carrier and forwarded to the Department of Labor for review. The Longshore and Harbor Workers' Compensation staff review the completed LS-570 to identify those operators who have secured insurance for payment of Longshore benefits as required by 20 CFR 703.116. This feedback will help DOL improve the quality and delivery of compliance assistance tools and services. This clearance allows Longshore to gather information from both Federal and non-Federal users. This information

collection is currently approved for use through January 31, 2016.

II. Review Focus

The Department of Labor is particularly interested in comments which:

- * Evaluate whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility;
- * evaluate the accuracy of the agency's estimate of the burden of the proposed collection of information, including the validity of the methodology and assumptions used;
- * enhance the quality, utility and clarity of the information to be collected; and
- * minimize the burden of the collection of information on those who are to respond, including through the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology, e.g., permitting electronic submissions of responses.

III. Current Actions

The Department of Labor seeks the approval of the extension of this currently approved information collection. The information is necessary (i) to ensure compliance by employers, (ii) to bind the carrier to the liabilities of the employer under 20 CFR 703.118 and (iii) so that the districts can identify the correct carrier for claims to ensure prompt payment of compensation to injured workers.
