Cross-Media Electronic Reporting: Authorized Program Revision Approval, State of Kansas

AGENCY: Environmental Protection Agency (EPA).

ACTION: Notice.

SUMMARY: This notice announces the Environmental Protection Agency's (EPA) approval of the State of Kansas's request to revise/modify certain of its EPA-authorized programs to allow electronic reporting.

DATES: EPA approves the authorized program revisions/modifications as of August 17, 2020.

FOR FURTHER INFORMATION CONTACT: Shirley M. Miller, U.S. Environmental Protection Agency, Office of Information Management, Mail Stop 2824T, 1200 Pennsylvania Avenue NW, Washington, DC 20460, (202) 566-2908, miller.shirley@epa.gov.

SUPPLEMENTARY INFORMATION: On October 13, 2005, the final Cross-Media Electronic Reporting Rule (CROMERR) was published in the **Federal Register** (70 FR 59848) and codified as part 3 of title 40 of the CFR. CROMERR establishes electronic reporting as an acceptable regulatory alternative to paper reporting and establishes requirements to assure that electronic documents are as legally dependable as their paper counterparts. Subpart D of CROMERR requires that state, tribal or local government agencies that receive, or wish to begin receiving, electronic reports under their EPA-authorized programs must apply to EPA for a revision or modification of those programs and obtain EPA approval. Subpart D provides standards for such approvals based on consideration of the electronic document receiving systems that the state, tribe, or local government will use to implement the electronic reporting. Additionally, § 3.1000(b) through (e) of 40 CFR part 3, subpart D provides special procedures for program revisions and modifications to allow electronic reporting, to be used at the option of the state, tribe or local government in place of procedures available under existing program-specific authorization regulations. An application submitted under the subpart D procedures must show that the state, tribe or local government has sufficient legal authority to implement the electronic reporting components of the programs covered by the application and will use electronic document receiving systems that meet the applicable subpart D requirements.

On December 3, 2019, the Kansas Department of Health and Environment (KDHE) submitted an application titled KEIMS (Kansas Environmental Information Management System) for revisions/modifications to its EPA-approved programs under title 40 CFR to allow new electronic reporting. EPA reviewed KDHE's request to revise/modify its EPA-authorized programs and, based on this review, EPA determined that the application met the standards for approval of authorized program revisions/modifications set out in 40 CFR part 3, subpart D. In accordance with 40 CFR 3.1000(d), this

notice of EPA's decision to approve Kansas's request to revise/modify its following EPA-authorized programs to allow electronic reporting under 40 CFR parts 122, 125, 240-249, 260-270, 272-279, 280, and EPCRA Sections 302-304, 311-313 is being published in the **Federal Register**:

Maximum Per Diem Reimbursement Rates for the Continental United States

AGENCY: Office of Government-wide Policy (OGP), General Services Administration (GSA).

ACTION: Notice of GSA Per Diem Bulletin FTR 21-01, Fiscal Year (FY) 2021 CONUS per diem reimbursement rates.

SUMMARY: The GSA FY 2021 per diem reimbursement rates review has resulted in lodging and meal allowance changes for certain locations within CONUS to provide for reimbursement of Federal employees' subsistence expenses while on official travel.

DATES: *Applicability Date:* This notice applies to travel performed on or after

October 1, 2020, through September 30, 2021.

FOR FURTHER INFORMATION CONTACT: For clarification of content, contact Ms. Jill Denning, Program Analyst, Office of Government-wide Policy, Office of Asset and Transportation Management, at 202-208-7642, or by email at travelpolicy@gsa.gov. Please cite Notice of GSA Per Diem Bulletin FTR 21-01.

SUPPLEMENTARY INFORMATION:

Background

The CONUS per diem reimbursement rates prescribed in Bulletin 21-01 may be found at <https://www.gsa.gov/perdiem>. GSA bases the maximum lodging allowance rates on the average daily rate that the lodging industry reports to an independent organization. If a maximum lodging allowance rate and/or a meals and incidental expenses (M&IE) per diem reimbursement rate is insufficient to meet necessary expenses in any given location, Federal executive agencies can request that GSA review that location. Please review questions six and seven of GSA's per diem Frequently Asked Questions page at <https://www.gsa.gov/perdiem> for more information on the special review process. In addition, the Federal Travel Regulation (FTR) allows for actual expense reimbursement as provided in §§ 301-11.300 through 301-11.306.

For FY 2021, one new non-standard area (NSA) location was added for Albuquerque, New Mexico (Bernalillo County). The standard CONUS lodging rate will remain unchanged at \$96. The M&IE reimbursement rate tiers were also unchanged for FY 2021. The standard CONUS M&IE rate remains at \$55, and the M&IE NSA tiers remain at \$56-\$76.

Notices published periodically in the **Federal Register** now constitute the only notification of revisions in CONUS per diem reimbursement rates to agencies, other than the changes posted on the GSA website.

Associate Administrator, Office of Government-wide Policy.

B. Need and Uses

This information collection supports implementation of subparagraph (a)(1)(B) of Section 889 of the John S. McCain National Defense Authorization Act (NDAA) for Fiscal Year 2019 (Pub. L. 115-232). DoD, GSA, and NASA published an interim rule (FAR Case 2019-009) at 85 FR 42665 on July 14, 2020 to implement section 889(a)(1)(B) of the NDAA. This section prohibits executive agencies from entering into, or extending or renewing, a contract with an entity that uses any equipment, system, or service that uses covered telecommunications equipment or services as a substantial or essential component of any system, or as critical technology as part of any system, on or after August 13, 2020, unless an exception applies or a waiver has been granted.

This requirement is implemented in the Federal Acquisition Regulation (FAR) through the provision at FAR 52.204-24, Representation Regarding Certain Telecommunications and Video Surveillance Services or Equipment and the clause at FAR 52.204-25, Prohibition on Contracting for Certain Telecommunications and Video Surveillance Services or Equipment.
