I. Abstract

The Economic Development Administration (EDA) provides investments that will help our partners across the nation (states, regions and communities) create wealth and minimize poverty by promoting a favorable business environment to attract private capital investment and high skill, high wage jobs through world-class capacity building, infrastructure, business assistance, research grants and strategic initiatives.

EDA's Revolving Loan Fund (RLF) Reporting Requirements are needed to ensure proper monitoring and compliance with program and administrative requirements as set forth in EDA's authorizing legislation (Public Law 105-393) and EDA's implementing regulations at 13 CFR Chapter III.

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

ACTION: Notice of Rescission of Antidumping Duty Administrative Review.

EFFECTIVE DATE: May 28, 2002.

FOR FURTHER INFORMATION CONTACT:

Chris Brady, AD/CVD Enforcement, Office 4, Group II, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue, NW, Washington, DC 20230; telephone: (202) 482-4406.

SUPPLEMENTARY INFORMATION:

The Applicable Statute and Regulations

Unless otherwise indicated, all citations to the Tariff Act of 1930, as

amended (the Act), are references to the provisions effective January 1, 1995, the effective date of the amendments made to the Act by the Uruguay Round Agreements Act (URAA). In addition, unless otherwise indicated, all citations to the Department's regulations are to the regulations at 19 CFR Part 351 (2002).

Background

On February 1, 2002, the Department of Commerce (the Department) published a notice of opportunity to request an administrative review of the antidumping duty orders on certain cut-to-length carbon-quality steel plate (CTL plate) from France, Italy, Indonesia, India, Japan, and the Republic of Korea (67 FR 4945, 4946).

On March 27, 2002, the Department initiated administrative reviews of the antidumping duty orders on CTL plate from France, Italy, Indonesia, India, Japan, and the Republic of Korea for the period February 1, 2001, through January 31, 2002, (67 FR 14696, 14697) pursuant to requests made by Bethlehem Steel Corporation and United States Steel Corporation (collectively "the petitioners") on February 28, 2002. Also on February 28, 2002, Nucor Corp. requested an administrative review for only the Republic of Korea for the period February 1, 2001, through January 31, 2002. On April 26, 2002, the petitioners withdrew their request for the administrative reviews of CTL plate from France, Italy, Indonesia, India, Japan, and the Republic of Korea. In accordance with 19 CFR 351.213(d)(1), the Department is rescinding the administrative reviews covering France, Italy, Indonesia, India, and Japan because the petitioners have withdrawn their requests for an administrative review in a timely manner and they were the only petitioners to request those reviews.

However, as Nucor Corp. has not withdrawn its request that the Department conduct an administrative review of the order on CTL plate from the Republic of Korea, this review will proceed.

Rescission of Review

Section 351.213(d)(1) of the Department's regulations provides that a party that requests an administrative review may withdraw the request within 90 days after the date of publication of the notice of initiation of the requested administrative review. The Department is rescinding the administrative reviews of the order on CTL plate from France, Italy, Indonesia, India, and Japan because the requesting

parties have withdrawn their request for these administrative reviews within the 90 day time limit and no other interested parties have requested a review for these countries.

The notice is in accordance with section 777(i)(1) of the Act and 19 CFR 351.213(d)(4).

Deputy Assistant Secretary for Import Administration.

AGENCY: Import Administration, International Trade Administration, U.S. Department of Commerce.

SUMMARY: The Department of Commerce is extending the time limit of the preliminary results of the administrative review of the antidumping duty order on freshwater crawfish tail meat from the People's Republic of China. The period of review is September 1, 2000 through August 31, 2001. This extension is made pursuant to section 751(a)(3)(A) of the Tariff Act of 1930, as amended.

EFFECTIVE DATE: May 28, 2002.

FOR FURTHER INFORMATION CONTACT: Doug Campau or Maureen Flannery, AD/CVD Enforcement, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue, N.W., Washington D.C. 20230; telephone: (202) 482-1395 or (202) 482-3020, respectively.

SUPPLEMENTARY INFORMATION:

Applicable Statutes and Regulations

Unless otherwise indicated, all citations to the statute are references to the provisions of the Tariff Act of 1930, as amended (the Act). In addition, unless otherwise indicated, all citations to the Department's regulations are to the provisions codified at 19 CFR Part 351 (2001).

Statutory Time Limits

Section 751(a)(3)(A) of the Act requires the Department to issue the preliminary results of an administrative review within 245 days after the last day of the anniversary month of an order for

which a review is requested and final results within 120 days after the date on which the preliminary results are published. However, if it is not practicable to complete the review within the time period, section 751(a)(3)(A) of the Act allows the Department to extend these deadlines to a maximum of 365 days and 180 days, respectively.

Background

On September 28, 2001, the Department of Commerce received a timely request from the Crawfish Processors Alliance, petitioner in this case, and the Louisiana Department of Agriculture & Forestry and Bob Odom, Commissioner, for an administrative review of the antidumping order on freshwater crawfish tail meat from the People's Republic of China for numerous companies for the period of September 1, 2000, through August 31, 2001, in accordance with 19 CFR section 351.213(b)(2) of the Department's regulations. Also, on September 28, 2001, China Kingdom Import & Export Co., Ltd., aka China Kingdome Import & Export Co., Ltd., aka Zhongda Import & Export Co., Ltd., and Qingdao Zhengri Seafood Co., Ltd., which were included in the petitioner's request for review, requested a review of their own shipments. We published a notice of initiation of this antidumping duty administrative review on October 26, 2001. See Initiation of Antidumping and Countervailing Duty Administrative Reviews and Requests for Revocation in Part, 65 FR 54195 (October 26, 2001).

Extension of Time Limits for Preliminary Results

Due to the complexity of the issues in this case, it is not practicable to complete this review within the time limits mandated by section 751(a)(3)(A) of the Act and 19 CFR 351.213(h)(1) of the Department's regulations. For example, the Department requires additional time to gather information and solicit comments from interested parties regarding the surrogate valuation issue. Therefore, in accordance with section 751(a)(3)(A) of the Act and 19 CFR 351.213(h)(2) of the Department's regulations, the Department is extending the time limit for the completion of preliminary results. These preliminary results will now be due no later than September 30, 2002.

This notice is published pursuant to sections 751(a)(1) and 777(i)(1) of the Act.
