

Service Unit in Wellpinit, WA. The Portland Area IHS estimates there are currently 480 Tribal members who live within Spokane and Whitman Counties and would become PRC eligible through this proposed expansion. The Tribe states that Tribal members who reside in Spokane and Whitman Counties are socially and economically affiliated with the Tribe through employment, family, community, or services. The Tribe would like to recognize them as eligible for PRC. Accordingly, the IHS proposes to expand the PRCDA of the Spokane Tribe of the Spokane Reservation to include the Washington counties of Spokane and Whitman.

Under 42 CFR 136.23, those otherwise eligible Indians who do not reside on a reservation, but reside within a PRCDA, must be either members of the Tribe or other IHS beneficiaries who maintain close economic and social ties with the Tribe. In this case, applying the aforementioned PRCDA redesignation criteria required by operative regulations codified at 42 CFR part 136, subpart C, the following findings are made:

1. By expanding the PRCDA to include Spokane County and Whitman County, the Spokane Tribe of the Spokane Reservation's eligible population will be increased by an estimated 480 tribal members.

2. The IHS finds that the Tribal members within the expanded PRCDA are socially and economically affiliated with the Spokane Tribe of the Spokane Reservation based on letters from the Tribe, dated May 31, 2022 and August 8, 2022, which noted that the Spokane Tribal Council had determined that tribal members residing in Spokane and Whitman counties are socially and economically affiliated with the Tribe.

3. Spokane and Whitman counties in the State of Washington are "on or near" the reservation, as they maintain a common boundary with the current PRCDA consisting of the counties of Ferry, Lincoln, and Stevens in the State of Washington. In addition to this, Spokane County includes a recent addition to the Spokane reservation (*see* 83 FR 18860), and Whitman County includes the Tribe's aboriginal territory.

4. The IHS administers the Wellpinit Service Unit PRC program and will use its existing Federal allocation for PRC to provide services to the expanded population. The Portland Area Director acknowledged that no additional financial resources will be allocated by the IHS to the Portland Area IHS to provide services to Spokane Tribal members residing in Spokane and Whitman counties in the State of Washington.
