Final Results of Changed Circumstances Review

Because no parties submitted comments opposing the Department's *Preliminary Results*, and because there is no other information or evidence on the record that calls into question the *Preliminary Results*, the Department determines that Shandong Linglong is the successor-in-interest to Leo Rubber for the purpose of determining antidumping duty liability.

Instructions to U.S. Customs and Border Protection

The Department will instruct U.S. Customs and Border Protection to suspend liquidation and collect a cash deposit rate of 12.83 percent on all shipments of the subject merchandise produced and exported by Shandong Linglong and entered, or withdrawn from warehouse, for consumption, on or after the publication date of these results of changed circumstances review.⁷

Barium Carbonate From the People's Republic of China: Final Results of Expedited Second Sunset Review of the Antidumping Duty Order

AGENCY: Enforcement and Compliance, International Trade Administration, Department of Commerce.

SUMMARY: On February 3, 2014, the Department of Commerce (the "Department") initiated the second five-year ("sunset") review of the antidumping duty order on barium carbonate from the People's Republic of China ("PRC") pursuant to section 751(c) of the Tariff Act of 1930, as amended (the "Act").¹ As a result of this sunset review, the Department finds that revocation of the antidumping duty order on barium carbonate from the PRC would be likely to lead to continuation or recurrence of dumping at the levels indicated in the "Final Results of Review" section of this notice.

DATES: *Effective Date:* June 4, 2014.

FOR FURTHER INFORMATION CONTACT: Irene Gorelik, AD/CVD Operations, Enforcement and Compliance, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue NW., Washington, DC 20230; telephone: (202) 482-6905.

("Petitioner") within the deadline specified in 19 CFR 351.218(d)(3)(i).² We received no responses from respondent interested parties. As a result, the Department conducted an expedited (120-day) sunset review of the order, pursuant to section 751(c)(3)(B) of the Act and 19 CFR 351.218(e)(1)(ii)(C)(2).

Analysis of Comments Received

All issues raised in this sunset review are addressed in the "Issues and Decision Memorandum for the Expedited Second Sunset Review of the Antidumping Duty Order on Barium Carbonate from the People's Republic of China" from Christian Marsh, Deputy Assistant Secretary for Antidumping and Countervailing Duty Operations, to Paul Piquado, Assistant Secretary for Enforcement and Compliance, dated concurrently with, and hereby adopted by, this notice ("Decision Memorandum"). The issues discussed in the Decision Memorandum include the likelihood of continuation or recurrence of dumping and the magnitude of the margins likely to prevail if the order were to be revoked. Parties may find a complete discussion of all issues raised in the review and the corresponding recommendations in this public memorandum which is on file electronically via Enforcement and Compliance's Antidumping and Countervailing Duty Centralized Electronic Services System ("IA ACCESS"). Access to IA ACCESS is available to registered users at <http://iaaccess.trade.gov> and is available to all parties in the Central Records Unit, room 7046 of the main Department of Commerce building. In addition, a complete version of the Decision Memorandum is available directly on the Web at <http://enforcement.trade.gov/frn/>. Scope of the Order

The merchandise covered by this order is barium carbonate, regardless of form or grade. The product is currently classifiable under subheading 2836.60.0000 of the Harmonized Tariff Schedule of the United States ("HTSUS"). Although the HTSUS subheading is provided for convenience and customs purposes, the written description of the scope of this proceeding is dispositive.

² See Petitioner's March 5, 2014, submission.

Final Results of Review

We determine that revocation of the order would be likely to lead to continuation or recurrence of dumping at the following weighted-average percentage margins:

Exporter	Weighted-average dumping margin (percent)
Qingdao Red Star Chemical Import & Export Co., Ltd.	34.44
PRC-Wide Entity	81.30

Failure to comply with the regulations and terms of an APO is a violation which is subject to sanction.

Certain Frozen Warmwater Shrimp From the People's Republic of China: Notice of Court Decision Not in Harmony With Final Results and Notice of Amended Final Results

AGENCY: Enforcement and Compliance, International Trade Administration, Department of Commerce.

SUMMARY: On May 20, 2014, the United States Court of International Trade ("CIT") sustained the Department of Commerce's ("the Department") final results of redetermination pursuant to remand of the 2008-2009 antidumping duty administrative review of certain frozen warmwater shrimp from the People's Republic of China ("Remand

Redetermination").¹ Consistent with the decision of the United States Court of Appeals for the Federal Circuit ("CAFC") in *Timken Co. v. United States*, 893 F.2d 337 (Fed. Cir. 1990) ("*Timken*"), as clarified by *Diamond Sawblades Mfrs. Coalition v. United States*, 626 F.3d 1374 (CAFC 2010) ("*Diamond Sawblades*"), the Department is notifying the public that the final judgment in this case is not in harmony with the Department's final results and is amending the final results of the administrative review of certain frozen warmwater shrimp from the People's Republic of China ("PRC") with respect to the margin assigned to Hilltop International ("Hilltop") covering the period of review ("POR") February 1, 2008, through January 31, 2009.²

DATES: Effective Date: May 30, 2014.

FOR FURTHER INFORMATION CONTACT: Kabir Archuleta, Office V, Enforcement and Compliance, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue NW., Washington, DC 20230; telephone: (202) 482-2593.

SUPPLEMENTARY INFORMATION: On July 19, 2013, the CIT remanded this case to the Department for reconsideration³ pursuant to the order of the CAFC in *Ad Hoc Shrimp Trade Action Committee v. United States*, No. 2012-1416 (Fed. Cir. 2013), which granted the Department's request for a voluntary remand in this matter to allow for reconsideration in light of information discovered in the sixth administrative review of this proceeding.⁴ Pursuant to the *Remand Order*, we reconsidered our determination in this review and found that Hilltop provided false and incomplete information regarding its affiliates and that none of its submissions could be relied upon. Accordingly, we found that Hilltop failed to rebut the presumption that it is part of the PRC-wide entity and applied total adverse facts available ("AFA") to the PRC-wide entity, which includes

Hilltop. As AFA, we applied a dumping margin of 112.81 percent, which is the highest rate from any segment of the proceeding and the current PRC-wide rate, and reevaluated that margin to ensure that it continues to be reliable and have probative value.⁵ The CIT sustained the Department's *Remand Redetermination* on May 20, 2014, making the effective date of this notice May 30, 2014.⁶

Timken Notice

In its decision in *Timken*, 893 F.2d at 341, as clarified by *Diamond Sawblades*, the CAFC held that, pursuant to section 516A(e) Tariff Act of 1930, as amended ("the Act"), the Department must publish a notice of a court decision that is not "in harmony" with a Department determination and must suspend liquidation of entries pending a "conclusive" court decision. The CIT's May 20, 2014, judgment sustaining the Department's *Remand Redetermination* with respect to Hilltop constitutes a final decision of that court that is not in harmony with the Department's *Final Results*. This notice is published in fulfillment of the publication requirements of *Timken*. Accordingly, the Department will continue the suspension of liquidation of the subject merchandise pending the expiration of the period of appeal, or if appealed, pending a final and conclusive court decision. The cash deposit rate will remain the rate established for the most recent period during which the PRC-wide entity was reviewed.⁷

Amended Final Results

Because there is now a final court decision, we are amending the *Final Results* with respect to Hilltop's margin for the period February 1, 2008, through January 31, 2009. The revised weighted-average dumping margin is as follows:

Exporter	Percent margin
PRC-Wide Entity ⁸	112.81

In the event the CIT's ruling is not appealed, the Department will instruct U.S. Customs and Border Protection to assess antidumping duties on entries during the POR of the subject merchandise exported by Hilltop using
