BILLING CODE P

DEPARTMENT OF TRANSPORTATION

Federal Aviation Administration

14 CFR Part 71

[Docket No. FAA-2014-0022; Airspace
Docket No. 13-AGL-31]

Establishment of Class E Airspace; Crandon, WI

AGENCY: Federal Aviation
Administration (FAA), DOT.

ACTION: Final rule.

SUMMARY: This action establishes Class E airspace at Crandon, WI. Controlled

airspace is necessary to accommodate new Area Navigation (RNAV) Standard Instrument Approach Procedures at Crandon/Steve Conway Municipal Airport. The FAA is taking this action to enhance the safety and management of Instrument Flight Rule (IFR) operations at the airport.

DATES: Effective date: 0901 UTC, July 24, 2014. The Director of the Federal Register approves this incorporation by reference action under 1 CFR Part 51, subject to the annual revision of FAA Order 7400.9 and publication of conforming amendments.

FOR FURTHER INFORMATION CONTACT: Raul Garza, Jr., Central Service Center, Operations Support Group, Federal Aviation Administration, Southwest Region, 2601 Meacham Blvd., Fort Worth, TX 76137; telephone 817-321-7654.

SUPPLEMENTARY INFORMATION:

History

On March 31, 2014, the FAA published in the **Federal Register** a notice of proposed rulemaking (NPRM) to establish Class E airspace for the Crandon, WI, area, creating controlled airspace at Crandon/Steve Conway Municipal Airport (79 FR 17946) Docket No. FAA-2014-0022. Interested parties were invited to participate in this rulemaking effort by submitting written comments on the proposal to the FAA. No comments were received. Class E airspace designations are published in paragraph 6005 of FAA Order 7400.9X dated August 7, 2013, and effective September 15, 2013, which is incorporated by reference in 14 CFR 71.1. The Class E airspace designations listed in this document will be published subsequently in the Order.

The Rule

This action amends Title 14 Code of Federal Regulations (14 CFR) Part 71 by

establishing Class E airspace extending upward from 700 feet above the surface within a 7-mile radius of Crandon/Steve Conway Municipal Airport, Crandon, WI, for new standard instrument approach procedures developed at the airport. Controlled airspace is needed for the safety and management of IFR operations at the airport.

The FAA has determined that this regulation only involves an established body of technical regulations for which frequent and routine amendments are necessary to keep them operationally current. Therefore, this regulation: (1) Is not a “significant regulatory action” under Executive Order 12866; (2) is not a “significant rule” under DOT Regulatory Policies and Procedures (44 FR 11034; February 26, 1979); and (3) does not warrant preparation of a regulatory evaluation as the anticipated impact is so minimal. Since this is a routine matter that only affects air traffic procedures and air navigation, it is certified that this rule, when promulgated, does not have a significant economic impact on a substantial number of small entities under the criteria of the Regulatory Flexibility Act.

The FAA’s authority to issue rules regarding aviation safety is found in Title 49 of the U.S. Code. Subtitle 1, Section 106, describes the authority of the FAA Administrator. Subtitle VII, Aviation Programs, describes in more detail the scope of the agency’s authority. This rulemaking is promulgated under the authority described in Subtitle VII, Part A, Subpart I, Section 40103. Under that section, the FAA is charged with prescribing regulations to assign the use of airspace necessary to ensure the safety of aircraft and the efficient use of airspace. This regulation is within the scope of that authority as it establishes controlled airspace at Crandon/Steve Conway Municipal, Crandon, WI.

Environmental Review

The FAA has determined that this action qualifies for categorical exclusion under the National Environmental Policy Act in accordance with FAA Order 1050.1E, “Environmental Impacts: Policies and Procedures,” paragraph 311a. This airspace action is not expected to cause any potentially significant environmental impacts, and no extraordinary circumstances exist that warrant preparation of an environmental assessment.

List of Subjects in 14 CFR Part 71

Airspace, Incorporation by reference, Navigation (Air).

Adoption of the Amendment

In consideration of the foregoing, the Federal Aviation Administration amends 14 CFR Part 71 as follows:

PART 71—DESIGNATION OF CLASS A, B, C, D, AND E AIRSPACE AREAS; AIR TRAFFIC SERVICE ROUTES; AND REPORTING POINTS

■ 1. The authority citation for 14 CFR Part 71 continues to read as follows:

Authority: 49 U.S.C. 106(g), 40103, 40113, 40120; E. O. 10854, 24 FR 9565, 3 CFR, 1959–1963 Comp., p. 389.

§ 71.1 [Amended]

■ 2. The incorporation by reference in 14 CFR 71.1 of the Federal Aviation Administration Order 7400.9X, Airspace Designations and Reporting Points, dated August 7, 2013, and effective September 15, 2013, is amended as follows:

Paragraph 6005 Class E airspace areas extending upward from 700 feet or more above the surface.

* * * * *

AGL WI E5 Crandon, WI [New]

Crandon/Steve Conway Municipal Airport, WI
(lat. 45°31′22″ N., long. 88°55′42″ W.)

That airspace extending upward from 700 feet above the surface within a 7-mile radius of Crandon/Steve Conway Municipal Airport.

Issued in Fort Worth, Texas, on June 2, 2014.

Humberto Melendez,

Manager, Operations Support Group, ATO Central Service Center.

DEPARTMENT OF COMMERCE

National Oceanic and Atmospheric Administration

15 CFR Part 922

[Docket No. 130405334–3717–02]

RIN 0648–BD20

Re-Establishing the Sanctuary Nomination Process

AGENCY: Office of National Marine Sanctuaries (ONMS), National Ocean Service, National Oceanic and Atmospheric Administration (NOAA), Department of Commerce (DOC).

ACTION: Final rule and call for nominations.

SUMMARY: With this final rule, NOAA re-establishes the process by which

communities may submit applications to have NOAA consider nominations of areas of the marine and Great Lakes environments as national marine sanctuaries. Communities, in this context, are defined as a collection of interested individuals or groups (e.g., a friends of group, a chamber of commerce); local, tribal, state, or national agencies; elected officials; or topic-based stakeholder groups, at the local, regional or national level (e.g., a local chapter of an environmental organization, a regionally-based fishing group, a national-level recreation or tourism organization, academia or science-based group, or an industry association). Through this nomination process, NOAA is seeking to give communities an opportunity to identify special marine and Great Lakes areas they believe would benefit from designation as a national marine sanctuary. There is no requirement for who may nominate an area for consideration; however, nominations should demonstrate broad support from a variety of stakeholders and interested parties. This rule contains the criteria and considerations NOAA will use to evaluate national marine sanctuary nominations, describes the process for submitting national marine sanctuary nominations, and promulgates the regulations necessary to implement this action. If NOAA determines a nomination adequately meets the final criteria and considerations, it may place that nomination into an inventory of areas for the NOAA Administrator, as delegated from the Secretary of Commerce, to consider for designation as a national marine sanctuary. As such, NOAA is not designating any new national marine sanctuaries with this action. In issuing this rule, NOAA replaces the currently inactive Site Evaluation List with a new process for communities and other interested parties to work collaboratively and innovatively in their submission of national marine sanctuary nominations. The re-opening of the sanctuary nomination process was supported by the majority of the nearly 18,000 comments NOAA received on its proposed rule issued June 28, 2013.

DATES: This final rule is effective on July 14, 2014.

ADDRESSES: You may submit nominations to NOAA by any one of the following methods:

- *Electronic Submissions:* Submit nomination packages to sanctuary.nominations@noaa.gov.

- *Mail:* Director, Office of National Marine Sanctuaries, 1305 East-West
