Title: Veterans' Health Benefits Handbook Questionnaire—VA Form 10-0507.

OMB Control Number: 2900-0773.

Type of Review: Extension of a currently approved collection.

Abstract: The Veterans' Health Benefits Handbook is available to all enrolled Veterans. The Handbook contains general eligibility and benefits information and most importantly, information specific to the Veteran. VHA seeks approval for this collection to provide Veterans an opportunity to provide anonymous feedback on the content and presentation of the material contained in the Handbook. VHA will use the information gathered to determine how well the Handbook meets Veterans' needs and make changes to the Handbook where needed. This voluntary survey will not be used as a substitute for traditional program evaluation surveys that measure objective outcomes. To maximize the voluntary response rates, the information collection will be designed to foster convenient, simple and barrier free participation. The data collected will consist of the minimum amount of information necessary to determine customer satisfaction. The areas of concern to VHA and its customers change rapidly and it is essential to

have the ability to evaluate customer concerns in a timely manner.

An agency may not conduct or sponsor, and a person is not required to respond to a collection of information unless it displays a currently valid OMB control number. The **Federal Register** Notice with a 60-day comment period soliciting comments on this collection of information was published at Vol. 82 FR No. 162, August 23, 2017, page 40064.

Affected Public: Individuals and households.

Estimated Annual Burden: 135 hours.

Estimated Average Burden per

Respondent: 5 minutes.

Frequency of Response: Annually.

Estimated Number of Respondents: 1,060.

By direction of the Secretary.
