

Determination

As a result of the determinations by the Department and the ITC that revocation of this antidumping duty order would likely lead to continuation or recurrence of dumping and material injury to an industry in the United States, pursuant to section 751(d)(2) of the Act, the Department hereby orders the continuation of the antidumping duty order on solid agricultural grade ammonium nitrate from Ukraine.

U.S. Customs and Border Protection will continue to collect antidumping duty cash deposits at the rates in effect at the time of entry for all imports of subject merchandise.

The effective date of continuation of this order will be the date of publication in the **Federal Register** of this Notice of Continuation. Pursuant to section 751(c)(2) and 751(c)(6)(A) of the Act, the Department intends to initiate the next five-year review of this order not later than June 2012.

This five-year (sunset) review and this notice are in accordance with section 751(c) of the Act. This notice is published pursuant to 751(c) and 771(i) of the Act and 19 CFR 351.218(f)(4).

Dated: July 2, 2007.

David M. Spooner,

Assistant Secretary for Import Administration.
