

was destined for the United States. In a November 20, 2006, letter to parties, we requested comments from parties on this determination, and received no comments. Therefore, based on our review of CBP documents, we are satisfied there were no entries of subject merchandise subject to this administrative review. Accordingly, we are rescinding the review.

Pursuant to 19 CFR 351.213(d)(3), the Department may rescind an administrative review, in whole or with respect to a particular exporter or producer, if the Secretary concludes that, during the period covered by the review, there were no entries, exports, or sales of the subject merchandise. Because the evidence on the record shows that there were no entries of OCTG made by Siderca during the POR, the Department is rescinding this review in accordance with 19 CFR 351.213(d)(3). The Department will issue appropriate assessment instructions to CBP within fifteen days of publication of this notice.

Notification to Importers

This notice serves as a final reminder to importers of their responsibility under section 351.402(f) of the Department's regulations to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this review period. Failure to comply with this requirement could result in the Secretary's assumption that reimbursement of antidumping duties occurred and subsequent assessment of double antidumping duties. This notice also serves as a reminder to parties subject to administrative protective order (APO) of their responsibility concerning the disposition of proprietary information disclosed under APO in accordance with section 351.305(a)(3) of the Department's regulations. Timely written notification of the return/destruction of APO materials or conversion to judicial protective order is hereby requested. Failure to comply with the regulations and the terms of an APO is a sanctionable violation.

We are issuing and publishing this notice in accordance with sections 751(a)(1) of the Tariff Act of 1930 (as amended) and 19 CFR 351.213(d)(4).

Dated: January 3, 2007.

SUPPLEMENTARY INFORMATION:

Background

On September 28, 2005, the Department of Commerce ("the Department") published in the **Federal Register** a notice of initiation of the antidumping duty administrative review of Polyethylene Retail Carrier Bags ("PRCBs") from the People's Republic of China ("PRC") for the period January 26, 2004, through July 31, 2005. See *Initiation of Antidumping and Countervailing Duty Administrative Reviews and Request for Revocation in Part*, 70 FR 56631 (September 28, 2005). On September 13, 2006, the Department published the preliminary results. See *Polyethylene Retail Carrier Bags from the People's Republic of China: Preliminary Results of Antidumping Duty Administrative Review*, 71 FR 54021 (September 13, 2006). The final results are currently due by January 11, 2007.

Extension of Time Limit for Final Results of Review

Pursuant to section 751(a)(3)(A) of the Tariff Act of 1930, as amended ("the Act"), the Department shall make a final determination in an administrative review of an antidumping duty order within 120 days after the date on which the preliminary determination is published. The Act further provides, however, that the Department may extend that 120-day period to 180 days if it determines it is not practicable to complete the review within the foregoing time period.

The Department finds that it is not practicable to complete the final results of the administrative review of PRCBs

from the PRC within the 120-day period due to complex issues the parties have raised regarding the selection of appropriate financial statements for the calculation of surrogate financial ratios. Therefore, in accordance with section 751(a)(3)(A) of the Act, the Department is extending the time period for completion of the final results of this review to 152 days until February 12, 2007.

This notice is published in accordance with sections 751(a)(3)(A) and 777(i) of the Act.

Dated: December 29, 2006.

Stephen J. Claeys,

Deputy Assistant Secretary for Import Administration.
