SUPPLEMENTARY INFORMATION:**I. Abstract**

National Marine Sanctuary Program (NMSP) regulations at 15 CFR part 922 list specific activities that are prohibited in national marine sanctuaries. These regulations also state that otherwise prohibited activities are permissible if a permit is issued by the NMSP. The persons desiring a permit must submit an application, and anyone obtaining a permit is generally required to submit one or more reports on the activity allowed under the permit.

The recordkeeping and reporting requirements at 15 CFR part 922 form the basis for this collection of information. This information is required by NMSP to protect and manage sanctuary resources as required by the National Marine Sanctuaries Act (16 U.S.C. 1431 et seq.).

II. Method of Collection

Depending on the permit being requested, various applications, reports, and telephone calls may be required from applicants. Applications and reports can be submitted via e-mail, fax, or traditional mail. Applicants are

encouraged to use electronic means to apply for permits and submit reports whenever possible.

Form Number: None.

Type of Review: Regular submission.

Affected Public: Business or other for-profit organizations; individuals or households; not-for-profit institutions; Federal government; state, local or tribal government.

Estimated Number of Respondents: 424.

Estimated Time per Response: General permits, 1 hour, 30 minutes; special use permits, 8 hours; historical resources permits, 13 hours; baitfish permits, certifications and permit amendments, 30 minutes; voluntary registrations, 15 minutes; appeals, 24 hours; Tortugas access permits, 6 minutes.

Estimated Total Annual Burden Hours: 1,437.

Estimated Total Annual Cost to Public: \$949 in reporting/recordkeeping costs.

IV. Request for Comments

Comments are invited on: (a) Whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information shall have practical utility; (b) the accuracy of the agency's estimate of the burden (including hours and cost) of the proposed collection of information; (c) ways to enhance the quality, utility, and clarity of the information to be collected; and (d) ways to minimize the burden of the collection of information on respondents, including through the use of automated collection techniques or other forms of information technology.

Comments submitted in response to this notice will be summarized and/or included in the request for OMB approval of this information collection; they also will become a matter of public record.

Dated: February 7, 2008.

Gwellnar Banks,

Management Analyst, Office of the Chief Information Officer.

SUPPLEMENTARY INFORMATION:**I. Abstract**

The National Marine Fisheries Service (NMFS) operates a voluntary fee-for-service seafood inspection program (Program) under the authorities of the Agricultural Marketing Act of 1946, as amended, the Fish and Wildlife Act of 1956, and the Reorganization Plan No. 4 of 1970.

The regulations for the Program are contained in 50 CFR part 260. The Program offers inspection grading and certification services, including the use of official quality grade marks which indicate that specific products have been Federally inspected. Qualified participants are permitted to use the Program's official quality grade marks on their products to facilitate trade of fishery products.

The participants in the inspection program are requested to submit specific information pertaining to the type of inspection services requested [Section 260.15]. In all cases, applicants provide information regarding the type of products to be inspected, the quantity, and location of the product. There are also application requirements if there is
