**SUPPLEMENTARY INFORMATION:****I. Selection for Community Support Review**

Section 10(g)(1) of the Federal Home Loan Bank Act (Bank Act) requires FHFA to promulgate regulations establishing standards of community investment or service that Bank members must meet in order to maintain access to long-term Bank advances. *See* 12 U.S.C. 1430(g)(1). The regulations promulgated by FHFA must take into account factors such as the Bank member's performance under the Community Reinvestment Act of 1977 (CRA), 12 U.S.C. 2901 *et seq.*, and the Bank member's record of lending to first-time homebuyers. *See* 12 U.S.C. 1430(g)(2). Pursuant to section 10(g) of the Bank Act, FHFA has promulgated a community support requirements regulation that establishes standards a Bank member must meet in order to maintain access to long-term advances, and establishes review criteria FHFA must apply in evaluating a member's community support performance. *See* 12 CFR part 1290. The regulation includes standards and criteria for the two statutory factors—members' CRA performance and members' record of lending to first-time homebuyers. 12 CFR 1290.3. Only members subject to the CRA must meet the CRA standard. 12 CFR 1290.3(b). All members subject to community support review, including those not subject to the CRA, must meet the first-time homebuyer standard. 12 CFR 1290.3(c). Members that have been

certified as community development financial institutions (CDFIs) are deemed to be in compliance with the community support requirements and are not subject to periodic community support review, unless the CDFI member is also an insured depository institution or a CDFI credit union. 12 CFR 1290.2(e).

Under the regulation, FHFA selects approximately one-eighth of the members in each Bank district for community support review each calendar quarter. 12 CFR 1290.2(a). FHFA will not review an institution's community support performance until it has been a Bank member for at least one year. Selection for review is not, nor should it be construed as, any indication of either the financial condition or the community support performance of the member. On or before August 26, 2014, each Bank will notify the members in its district that have been selected for this review cycle that they must complete and submit Community Support Statements to FHFA by the deadline prescribed in this Notice. 12 CFR 1290.2(b)(2)(i). The member's Bank will provide a blank Community Support Statement Form (OMB No. 2590–0005), which also is available on FHFA's Web site: <http://www.fhfa.gov/webfiles/2924/FHFAForm060.pdf>. Upon request, the member's Bank also will provide assistance in completing the Community Support Statement. Each Bank member selected for this review cycle must complete the Community Support Statement and submit it to FHFA by the deadline prescribed in this Notice. 12 CFR 1290.2(b)(1)(ii) and (c).

FHFA has selected the following members for this review cycle:

## GENERAL SERVICES ADMINISTRATION

[Notice: MVA-2014-01; Docket 2014-0002; Sequence 24]

### Discontinuance of the Looseleaf Version of the General Services Administration Acquisition Manual (GSAM)

**AGENCY:** Office of Acquisition Policy, Office of Government-wide Policy, General Services Administration (GSA).

**ACTION:** Notice.

**SUMMARY:** As part of GSA's effort to increase efficiency and promote environmental sustainability, the Office of Government-wide Policy (OGP) has determined that it will no longer produce the looseleaf version of the

General Services Administration Acquisition Manual (GSAM).

**DATES:** *Effective:* August 11, 2014.

**FOR FURTHER INFORMATION CONTACT:** For clarification of content, contact Mr. Nicholas West of the Office of Government-wide Policy at 703-605-2834.

### SUPPLEMENTARY INFORMATION:

#### A. Background

Looseleaf pages of the GSAM were originally made available at a time when it was the only means to view a change to the regulation in comparison with the existing text until the publication of the next volume of Title 48 of the Code of Regulations (48 CFR, Chapter 5) on the following October 1. Patrons who maintained the regulations in looseleaf could purchase subscriptions from the Government Printing Office (GPO) and when any change to the GSAM occurred; they would be sent the new pages. At best, it could be weeks and even months before patrons would receive the latest changes. With the coming of new technology, GSA began producing these pages and sending them to patrons electronically.

Because of today's technologies, those who follow the GSAM can view and print the latest changes on the day the changes are published in the **Federal Register**. Through the years, GSA continued to produce the looseleaf pages for these changes although the need for them has become almost nonexistent. GSA has come to the conclusion that the time that it takes to produce the pages for information already available is not an efficient use of government resources and has decided to discontinue the production of the looseleaf versions of the GSAM immediately. In addition, printing updated pages for those maintaining looseleaf binders of the regulations will no longer be necessary, which supports environmental sustainability.

## B. Procedures

The GSAM and related documents can be found at [gsa.gov/gsam](http://gsa.gov/gsam).

## DEPARTMENT OF HEALTH AND HUMAN SERVICES

### Justification for a Single Source Cooperative Agreement Award for the World Health Organization

**AGENCY:** Office of the Secretary, Department of Health and Human Services.

**ACTION:** Notice.

**SUMMARY:** A natural re-emergence of smallpox is not deemed possible, but if it were to occur as a result of a terrorist or deliberate event, it would be a potentially devastating threat to public health worldwide and would constitute a public health emergency of international concern (PHEIC) under the International Health Regulations (IHR) (2005). A case of smallpox detected by a member state requires notification to World Health Organization (WHO) as soon as possible, and any confirmed smallpox case would generate an immediate global public health response.

WHO must rely on fast and reliable laboratory diagnostic capacity worldwide to be able to identify a re-emergence of smallpox, particularly in countries where systemic orthopoxvirus infections such as monkeypox, vaccinia virus infection or cowpox, and other non-pox viral rash illnesses, such as chicken pox, may cause clinical diagnostic confusion.

Over the past 10 years, clinical virology laboratory diagnostics has been evolving and increasingly rely on
