**II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change**

In its filing with the Commission, the Exchange included statements concerning the purpose of and basis for the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. The

Exchange has prepared summaries, set forth in sections A, B, and C below, of the most significant aspects of such statements.

*A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change*

**1. Purpose**

The Exchange adopted BZX Rule 14.11(m) for the purpose of permitting the listing and trading, or pursuant to unlisted trading privileges ("UTP"), of Tracking Fund Shares, which are securities issued by an actively managed open-end management investment company.<sup>3</sup> Exchange Rule 14.11(m)(2)(A) requires the Exchange to file separate proposals under Section 19(b) of the Act before listing and trading any series of Tracking Fund Shares on the Exchange. Pursuant to this provision, the Exchange submitted proposals to list and trade shares ("Shares") of Tracking Fund Shares of the Fidelity Blue Chip Growth ETF, Fidelity Blue Chip Value ETF, Fidelity New Millennium ETF,<sup>4</sup> Fidelity Growth

<sup>3</sup> Rule 14.11(m)(3)(A) provides that "[t]he term 'Tracking Fund Share' means a security that (i) represents an interest in an investment company registered under the Investment Company Act of 1940 ('Investment Company') organized as an open-end management investment company, that invests in a portfolio of securities selected by the Investment Company's investment adviser consistent with the Investment Company's investment objectives and policies; (ii) is issued in a specified aggregate minimum number in return for a deposit of a specified Tracking Basket and/or a cash amount with a value equal to the next determined net asset value; (iii) when aggregated in the same specified minimum number, may be redeemed at a holder's request, which holder will be paid a specified Tracking Basket and/or a cash amount with a value equal to the next determined net asset value; and (iv) the portfolio holdings for which are disclosed within at least 60 days following the end of every fiscal quarter. Rule 14.11(m)(3)(E) provides that "[t]he term 'Tracking Basket' means the identities and quantities of the securities and other assets included in a basket that is designed to closely track the daily performance of the Fund Portfolio, as provided in the exemptive relief under the Investment Company Act of 1940 applicable to a series of Tracking Fund Shares."

Opportunities ETF, Fidelity Magellan ETF, Fidelity Real Estate Investment ETF, and Fidelity Small-Mid Cap Opportunities ETF (collectively referred to as the “Funds”).<sup>5</sup>

The Funds are actively-managed exchange-traded funds for which Fidelity Covington Trust (the “Issuer”), among others, submitted an application for exemptive relief (the “Application”) which was granted under an exemptive order (the “Exemptive Order”, and the Exemptive Order together with the Application the “Exemptive Relief”) issued on December 10, 2019.<sup>6</sup> Pursuant to the Exemptive Order, the Funds create shares in return for a deposit by the purchaser of, and redeem shares at a holder’s request in return for, a Tracking Basket or cash. Furthermore, the Original Notice and Original Order to list and trade shares of the Funds provided that each of the Funds would create and redeem their shares using the Tracking Basket or cash.

On August 5, 2021, the Exemptive Order was amended to, among other things, permit the Issuer to allow the Funds to create and redeem their shares using cash, a Tracking Basket or a “Custom Basket”, which is a creation or redemption unit that differs from a fund’s Tracking Basket.<sup>7</sup> Additionally, on September 28, 2021 the Commission approved the Exchange’s proposal to amend Exchange Rule 14.11(m) to provide for the use of Custom Baskets consistent with the Funds amended Exemptive Order.<sup>8</sup>

<sup>8</sup> See Securities and Exchange Act No. 93147 (September 28, 2021) 86 FR 54772 (October 4, 2021) (SR-CboeBZX–2021–053) (Order granting approval of a proposed rule to change to amend Rule 14.11(m) (Tracking Fund Shares) to provide the use of Custom Baskets consistent with the exemptive relief issued pursuant to the Investment Company Act of 1940 applicable to a series of Tracking Fund Shares).

Now, the Exchange is submitting this proposal to modify representations made in the Original Notice and Original Order of each Fund that provided that creation and redemption units will occur using the Tracking Basket or cash. Specifically, the proposal permits the Funds to use a Custom Basket, in addition to a Tracking Basket or cash, to create or redeem their shares in accordance with their amended Exemptive Relief and amended Exchange Rule 14.11(m). Accordingly, the Issuer represents that it and any person acting on behalf of such fund will comply with Regulation Fair Disclosure under the Act,<sup>9</sup> including with respect to any Custom Basket. The Issuer also represents that for each Custom Basket utilized by each Fund, each business day, before the opening of trading in Regular Trading Hours (as defined in Rule 1.5(w)), the investment company shall make publicly available on its website the composition of any Custom Basket transacted on the previous business day, except a Custom Basket that differs from the applicable Tracking Basket only with respect to cash. Finally, the adviser and sub-adviser to each of the Funds each represent that a fire wall exists and will be maintained between the respective personnel at each of (i) the adviser and sub-adviser, and (ii) their respective affiliated broker-dealers with respect to access to information concerning the composition and/or changes to the applicable fund’s portfolio, Tracking Basket, and/or the Custom Basket, as applicable. Specifically, the adviser and the sub-adviser each represent that the personnel who make decisions on the applicable fund’s portfolio composition, Tracking Basket, and/or Custom Basket or who have access to nonpublic information regarding the Fund Portfolio,<sup>10</sup> Tracking Basket, and/or Creation Basket or changes thereto are subject to procedures designed to prevent the use and dissemination of material non-public information regarding such portfolio, Tracking Basket, and/or Creation Basket. In the event that (a) the adviser or a sub-

adviser becomes registered as a broker-dealer or newly affiliated with a broker-dealer; or (b) any new adviser or sub-adviser is a registered broker-dealer or becomes newly affiliated with a broker-dealer; it will implement and maintain a fire wall with respect to its relevant personnel or such broker-dealer affiliate, as applicable, regarding access to information concerning the composition and/or changes to the Fund Portfolio, Tracking Basket, and/or Creation Basket, and will be subject to procedures designed to prevent the use and dissemination of material nonpublic information regarding such portfolio, Tracking Basket, and/or Creation Basket. Any person or entity, including any service provider for any of the Funds, who has access to nonpublic information regarding the Fund Portfolio, Tracking Basket, and/or Creation Basket or changes thereto for the Custom Basket Fund will be subject to procedures designed to prevent the use and dissemination of material nonpublic information regarding the Fund Portfolio, Tracking Basket or Creation Basket or changes thereto. Further, any such person or entity that is registered as a broker-dealer or affiliated with a broker-dealer, must have erected and will maintain a “fire wall” between the person or entity and the broker-dealer with respect to access to information concerning the composition and/or changes to such Fund Portfolio, Tracking Basket, or Creation Basket.

Each of the Funds will comply with the above-described conditions as well as the conditions of the Exemptive Order, as amended, and the Exchange is updating the listing rule for the Shares accordingly. Except for the changes noted above, all other representations made in the Prior Filings for each of the Funds<sup>11</sup> remain unchanged and will continue to constitute continued listing requirements for each of the Shares. The Funds will also continue to comply with the requirements of Rule 14.11(m).

## 2. Statutory Basis

The Exchange believes the proposed rule change is consistent with Act and the rules and regulations thereunder applicable to the Exchange and, in particular, the requirements of Section 6(b) of the Act.<sup>12</sup> Specifically, the Exchange believes the proposed rule change is consistent with the Section 6(b)(5)<sup>13</sup> requirements that the rules of an exchange be designed to prevent fraudulent and manipulative acts and

<sup>9</sup> 17 CFR 243.100–243.103. Regulation Fair Disclosure provides that whenever an issuer, or any person acting on its behalf, discloses material nonpublic information regarding that issuer or its securities to certain individuals or entities—generally, securities market professionals, such as stock analysts, or holders of the issuer’s securities who may well trade on the basis of the information—the issuer must make public disclosure of that information.

<sup>10</sup> As defined in Rule 14.11(m)(3)(B), the term “Fund Portfolio” means the identities and quantities of the securities and other assets held by the Investment Company that will form the basis for the Investment Company’s calculation of net asset value at the end of the business day.

practices, to promote just and equitable principles of trade, to foster cooperation and coordination with persons engaged in regulating, clearing, settling, processing information with respect to, and facilitating transactions in securities, to remove impediments to and perfect the mechanism of a free and open market and a national market system, and, in general, to protect investors and the public interest.

The proposed rule change is designed to perfect the mechanism of a free and open market and, in general, to protect investors and the public interest. The proposed amendment would permit each of the Funds the use of Custom Baskets, as provided in the amended Exemptive Order. The Exchange believes the proposal to permit the Funds the use of Custom Baskets is consistent with and contemplated by Rule 14.11(m), as amended, which the Commission found to be consistent with the Act.<sup>14</sup>

Except for the changes noted above, all other representations made in the prior proposed rule changes<sup>15</sup> remain unchanged and, as noted, will continue to constitute continuing listing requirements for the Funds.

#### *B. Self-Regulatory Organization's Statement on Burden on Competition*

The Exchange does not believe that the proposed rule change will impose any burden on competition that is not necessary or appropriate in furtherance of the purpose of the Act. As noted, the proposed amendment is intended to permit each of the Funds the use of Custom Baskets, as provided in the amended Exemptive Order. The Exchange believes that these changes will not impose any burden on competition.

#### *C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants, or Others*

The Exchange neither solicited nor received comments on the proposed rule change.

### **III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action**

Because the foregoing proposed rule change does not: (i) Significantly affect the protection of investors or the public

interest; (ii) impose any significant burden on competition; and (iii) become operative for 30 days from the date on which it was filed, or such shorter time as the Commission may designate, it has become effective pursuant to Section 19(b)(3)(A) of the Act<sup>16</sup> and Rule 19b-4(f)(6)<sup>17</sup> thereunder.<sup>18</sup>

A proposed rule change filed under Rule 19b-4(f)(6)<sup>19</sup> normally does not become operative prior to 30 days after the date of the filing. However, pursuant to Rule 19b-4(f)(6)(iii),<sup>20</sup> the Commission may designate a shorter time if such action is consistent with the protection of investors and the public interest. The Exchange has asked the Commission to waive the 30-day operative delay so that the proposed rule change may take effect upon filing. The Exchange represents that the Funds will continue to comply with the requirements of BZX Rule 14.11(m). The Commission believes that waiver of the 30-day operative delay is consistent with the protection of investors and the public interest because the proposed rule change does not raise any new or novel issues.<sup>21</sup> Accordingly, the Commission waives the 30-day operative delay and designates the proposal operative upon filing.<sup>22</sup>

At any time within 60 days of the filing of the proposed rule change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act. If the Commission takes such action, the Commission shall institute proceedings to determine whether the proposed rule change should be approved or disapproved.
