C. Authority for Conducting the

Match: The legal authority for conducting the matching program is contained in sections 402 and 1137 of the Social Security Act (42 U.S.C. 602 and 1320b-7).

D. Records to be Matched: The systems of records maintained by the respective agencies under the Privacy Act of 1974, as amended, 5 U.S.C. 552a, from which records will be disclosed for the purpose of this computer match are as follows:

1. Federal, but not State, agencies must publish system notices for "systems of records" pursuant to subsection (e)(4) of the Privacy Act and must identify "routine uses" pursuant to subsection (b)(3) of the Privacy Act for those systems of records from which they intend to disclose this information. The DoD system of records described below contains an appropriate routine use proviso, which permits disclosure of information by DMDC to ACF and the SPAAAs.

2. DoD will use personal data from the record system identified as DMDC 01, entitled "Defense Manpower Data Center Data Base," last published in the **Federal Register** at 74 FR 39666, August 7, 2009.

3. HHS will be disclosing, as applicable, to DMDC personal data it has collected from the SPAAAs. No information will be disclosed from systems of records that ACF operates and maintains. HHS will be disclosing, as applicable, to the SPAAAs personal data it has received from DMDC. The DMDC supplied matched data will be disclosed by ACF pursuant to the DoD routine use.

E. Description of Computer Matching Program: Each participating SPAA will send ACF an electronic file of eligible public assistance client information. These files are non-Federal computer records maintained by the States. ACF will then send this information to DMDC. In the alternative, participating SPAAAs can submit files directly to DMDC. After DMDC receives the SPAA data, it will match the data against the DMDC database. The Database consists of personnel records of non-postal Federal civilian employees and military members, both active and retired. Resulting "hits" or matches will be disclosed to the SPAA that submitted the client information.

1. The electronic files provided by ACF and the SPAAAs will contain data elements of the client's name, SSN, date of birth, address, sex, marital status, number of dependents, information regarding the specific public assistance benefit being received, and such other

data as considered necessary and on no more than 10,000,000 public assistance beneficiaries.

2. The DMDC computer database file contains approximately 4.85 million records of active duty and retired military members, including the Reserve and Guard, and approximately 3.68 million records of active and retired non-postal Federal civilian employees.

3. DMDC will match the SSN on the ACF/SPAA file by computer against the DMDC database. Matching records, "hits" based on SSNs, will produce data elements of the individual's name; SSN; active or retired; if active, military service or employing agency, and current work or home address, and other relevant information.

F. Inclusive Dates of the Matching Program: The effective date of the matching agreement and date when matching may actually begin shall be at the expiration of the 40-day review period for OMB and Congress, or 30 days after publication of the matching notice in the **Federal Register**, whichever date is later. The parties to this agreement may assume OMB and Congressional concurrence if no comments are received within 40 days of the date of the transmittal letter. The 40-day OMB and Congressional review period and the mandatory 30-day public comment period for the **Federal Register** publication of the notice will run concurrently. By agreement between HHS and DoD, the matching program will be in effect for 18 months with an option to renew for 12 additional months unless one of the parties to the agreement advises the other by written request to terminate or modify the agreement.

G. Address for Receipt of Public Comments or Inquiries: Director for Privacy, 1901 South Bell Street, Suite 920, Arlington, VA 22202-4512. Telephone (703) 607-2943.
