

Coast Guard collection of information (Collection). The ICR contains information describing the Collection's purpose, the Collection's likely burden on the affected public, an explanation of the necessity of the Collection, and other important information describing the Collection. There is one ICR for each Collection.

The Coast Guard invites comments on whether this ICR should be granted based on the Collection being necessary for the proper performance of Departmental functions. In particular, the Coast Guard would appreciate comments addressing: (1) The practical utility of the Collection; (2) the accuracy of the estimated burden of the Collection; (3) ways to enhance the quality, utility, and clarity of information subject to the Collection; and (4) ways to minimize the burden of the Collection on respondents, including the use of automated collection techniques or other forms of information technology. In response to your comments, we may revise this ICR or decide not to seek an extension of approval for the Collection. We will consider all comments and material received during the comment period.

We encourage you to respond to this request by submitting comments and related materials. Comments must contain the OMB Control Number of the ICR and the docket number of this request, [USCG-2017-0219], and must be received by October 10, 2017.

Information Collection Request

Title: Credentialing and Manning Requirements for Officers on Towing Vessels.

OMB Control Number: 1625-0078.

Summary: Credentialing and manning requirements ensure that towing vessels operating on the navigable waters of the U.S. are under the control of credentialed officers who meet certain qualification and training standards.

Need: Title 46 Code of Federal Regulations parts 10 and 11 prescribe regulations for the credentialing of maritime personnel. This information collection is necessary to ensure that a mariner's training information is available to assist in determining his or her overall qualifications to hold certain credentials.

Forms: N/A.

Respondents: Owners and operators of towing vessels.

Frequency: On occasion.

Hour Burden Estimate: The estimated burden has increased from 15,869 hours to 18,635 hours a year due to an estimated increase in the annual number of respondents.

Authority: The Paperwork Reduction Act of 1995; 44 U.S.C. Chapter 35, as amended.

Dated: August 3, 2017.

Marilyn L. Scott-Perez,
U.S. Coast Guard, Chief, Office of Information Management.

Information Collection Request

Title: Alteration of Unreasonably Obstructive Bridges.

OMB Control Number: 1625–0073.

Summary: The collection of information is a request to determine if the bridge is unreasonably obstructive.

Need: 33 U.S.C. 494, 502, 511, 513, 514, 515, 516, 517, 521, 522, 523 and 524 authorize the Coast Guard to remove or alter bridges and causeways over the navigable waters of the United States that the Coast Guard deems to be unreasonably obstructive.

Forms: Not applicable.

Respondents: Public and private owners of bridges over navigable waters of the United States.

Frequency: On occasion.

Hour Burden Estimate: The estimated burden has decreased from 240 hours to 160 hours a year. There are six additional engineering projects that have been added to this information collection since 2014. Two of the four previous projects have been completed since 2014; making a total of eight current projects. The reduction in burden is based on having previously

completed the majority of the review for each study.

Authority: The Paperwork Reduction Act of 1995; 44 U.S.C. Chapter 35, as amended.

Dated: August 3, 2017.
