AGENCY: Enforcement and Compliance, International Trade Administration, Department of Commerce.

Commerce also preliminarily determines that one company subject to this review is part of the Vietnam-wide entity because it did not demonstrate eligibility for a separate rate. Finally, Commerce is rescinding this review with respect to 66 companies and the Vietnam entity. We invite interested parties to comment on these preliminary results.

DATES: Applicable May 12, 2022.

SUPPLEMENTARY INFORMATION:

Background

On October 7, 2021, Commerce initiated this administrative review with respect to 82 companies and the Vietnam-wide entity.¹

¹ See *Initiation of Antidumping and Countervailing Duty Administrative Reviews*, 86 FR 55811 (October 7, 2021) (*Initiation Notice*). We note that the notice lists 83 companies; however, “Hung

On October 19, 2021, we provided U.S. Customs and Border Protection (CBP) entry data under administrative protective order (APO) to all interested parties having APO access.² On October 26, 2021, we received comments from the petitioners³ on the CBP data.⁴

In October and November 2021, 15 companies filed no-shipment certifications.⁵ In January 2022, all parties withdrew their requests for review for 66 companies and the Vietnam-wide entity.

Partial Rescission of Administrative Review

This administrative review covers 82 companies and the Vietnam-wide entity.⁸ Pursuant to 19 CFR 351.213(d)(1), Commerce will rescind an administrative review, in whole or in part, if the party that requested a review withdraws the request within 90 days of the date of publication of the notice of initiation. As noted above, all interested parties timely withdrew their requests for review of 66 of the companies requested and the Vietnam-wide entity. Accordingly, Commerce is rescinding this review with respect to these 66 companies and the Vietnam-wide entity, in accordance with 19 CFR 351.213(d)(1).⁹ The review will continue with respect to the other firms for which a review was requested and initiated. For additional information, see the Preliminary Decision Memorandum.

Preliminary Determination of No Shipments

Based upon the no-shipment certifications received by Commerce, and our review of the CBP data, we preliminarily find that 15 companies had no shipments during the POR. Commerce requested that CBP confirm whether any shipments of subject merchandise entered the United States during the POR with respect to the 15 companies that submitted no-shipment claims, and CBP responded that it has no record of any subject entries for these 15 exporters.¹⁰ Based on the record evidence submitted, we preliminarily determine that these 15 companies had no shipments during the POR. For additional information regarding this determination, see the Preliminary Decision Memorandum. Consistent with our practice in non-market economy (NME) administrative reviews,¹¹ Commerce is not rescinding this review for these 15 companies.¹² Commerce intends to complete this review and issue appropriate instructions to CBP based on the final results of this review.

⁸ See *Initiation Notice*.

⁹ See Appendix II for a list of companies for which we are rescinding this review.

¹⁰ See Memorandum, “No Shipment Inquiries for various companies during the period 08/01/2020 through 07/31/2021,” dated March 23, 2022.

Separate Rates

Hoa Phat Seafood Import-Export and Processing J.S.C. (Hoa Phat)¹³ did not file a separate rate application, separate rate certification, or a no-shipments certification. Accordingly, Commerce preliminarily determines that Hoa Phat has not established eligibility for a separate rate and is, therefore, part of the Vietnam-wide entity. For additional information, see the Preliminary Decision Memorandum.

Vietnam-Wide Entity

Commerce's policy regarding conditional review of the Vietnam-wide entity applies to this administrative review.¹⁴ Under this policy, the Vietnam-wide entity will not be under review unless a party specifically requests, or Commerce self-initiates, a review of the Vietnam-wide entity.¹⁵ Because the sole review request for the Vietnam-wide entity has been withdrawn, the Vietnam-wide entity is not under review and the Vietnam-wide entity's rate (*i.e.*, \$2.39 per kilogram) is not subject to change.¹⁶ For additional information, see the Preliminary Decision Memorandum.

Public Comment

Interested parties are invited to comment on the preliminary results and may submit case briefs and/or written comments, filed electronically via Enforcement and Compliance's Antidumping Duty and Countervailing Duty Centralized Electronic Service System (ACCESS), no later than 30 days after the date of publication of this notice.¹⁷ Rebuttal briefs, limited to issues raised in the case briefs, must be filed within seven days after the time limit for filing case briefs.¹⁸ Parties who submit case or rebuttal briefs in this proceeding are requested to submit with each argument a statement of the issue, a brief summary of the argument, and a table of authorities.¹⁹ Note that

¹³ As noted in the *Initiation Notice*, this company is also known as: HOPAFISH; Hoa Phat Seafood Import-Export and Processing Joint Stock Company; and Hoa Phat Seafood Import-Export and Processing JSC.

Commerce has temporarily modified certain portions of its requirements for serving documents containing business proprietary information, until further notice.²⁰

Interested parties who wish to request a hearing must submit a written request to Commerce within 30 days of the date of publication of this notice.²¹ Requests should contain: (1) The party's name, address, the telephone number; (2) the number of participants; and (3) a list of issues to be discussed. Issues raised in the hearing will be limited to those raised in the respective case and rebuttal briefs. If a request for a hearing is made, parties will be notified of the time and date for the hearing to be held.²²

Commerce intends to issue the final results of this administrative review, which will include the results of our analysis of all issues raised in the case briefs, no later than 120 days after publication of these preliminary results in the **Federal Register**, unless extended, pursuant to section 751(a)(3)(A) of the Act.

Assessment Rates

Upon issuance of the final results of this review, Commerce will determine, and CBP will assess, antidumping duties on all appropriate entries covered by this review.²³ Pursuant to Commerce's practice in NME cases, if we continue to determine in the final results that the 15 companies listed in Appendix III had no shipments of subject merchandise, any suspended entries of subject merchandise during the POR from these companies will be liquidated at the Vietnam-wide rate.²⁴ For the remaining company subject to this review, Hoa Phat, which is part of the Vietnam-wide entity, we will instruct CBP to liquidate its entries at the current rate for the Vietnam-wide entity (*i.e.*, \$2.39 per kilogram).

Commerce intends to issue assessment instructions to CBP no earlier than 35 days after the date of publication of the final results of this review in the **Federal Register**. If a timely summons is filed at the U.S. Court of International Trade, the assessment instructions will direct CBP not to liquidate relevant entries until the time for parties to file a request for a statutory injunction has expired (*i.e.*, within 90 days of publication).

²⁰ See *Temporary Rule*.

²¹ See 19 CFR 351.310(c).

²² See 19 CFR 310(d).

²³ See 19 CFR 351.212(b)(1).

²⁴ For a full discussion of this practice, see *Non-Market Economy Antidumping Proceedings: Assessment of Antidumping Duties*, 76 FR 65694 (October 24, 2011).

Cash Deposit Requirements

The following cash deposit requirements will be effective upon publication of the final results of this administrative review for all shipments of the subject merchandise entered, or withdrawn from warehouse, for consumption on or after the publication date of the final results of review, as provided for by section 751(a)(2)(C) of the Act: (1) The cash deposit rates for the 15 companies in Appendix III will remain unchanged from the rates assigned to them in the most recently-completed segment for each company, as applicable; (2) for previously investigated or reviewed Vietnamese and non-Vietnamese exporters who are not under review in this segment of the proceeding but have separate rates, their cash deposit rate will continue to be the exporter-specific rate published for the most recently-completed segment of this proceeding; (3) for all Vietnamese exporters of subject merchandise that have not been found to be entitled to a separate rate (including Hoa Phat), the cash deposit rate will be Vietnam-wide rate of \$2.39 per kilogram; and (4) for all non-Vietnamese exporters of subject merchandise that have not received their own rate, the cash deposit rate will be the rate applicable to Vietnamese exporter(s) that supplied that non-Vietnamese exporter. These deposit requirements, when imposed, shall remain in effect until further notice.

Notification to Importers

This notice also serves as a reminder to importers of their responsibility under 19 CFR 351.402(f)(2) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this POR. Failure to comply with this requirement could result in Commerce's presumption that reimbursement of antidumping duties occurred and the subsequent assessment of double antidumping duties.

Notification to Interested Parties

These preliminary results of review are issued and published in accordance with sections 751(a)(1) and 777(i)(1) of the Act and 19 CFR 351.221(b)(4).

Dated: May 3, 2022.
