SUPPLEMENTARY INFORMATION:

Extension of Comment Period

The Department of Justice published an ANPRM in the **Federal Register,** 69 FR 58768, on September 30, 2004, in order to begin the process of adopting Parts I and III of the revised guidelines implementing the ADA and the ABA, which were published by the Access Board on July 23, 2004, at 69 FR 44083. Following publication of the ANPRM, the Department received requests from a variety of interested parties to extend the deadline for public comment, citing the complexity of the data requests, the need to distribute surveys, the overlap of the comment period with the holiday season, and the need for additional time in order to provide an informed response to the Department's questions. The Department has decided to extend the comment period until May 31, 2005. The Department believes this extension is ample for an ''advance'' notice of proposed rulemaking, which is merely a prepatory stage in rulemaking process. Interested parties will receive another opportunity to comment when the Department issues a formal notice of proposed rulemaking. The revised guidelines, which are the subject of the ANPRM, will have no legal effect on the public until they are adopted by the Department of Justice in the final stage of the rulemaking process.

Comments on the ANPRM may be provided by May 31, 2005 online at *http://www.adaanprm.org*, or by mail, at P.O. Box 1032, Merrifield, VA 22116–1032.
