

A proposed rule change filed under Rule 19b-4(f)(6)²⁸ normally does not become operative prior to 30 days after the date of the filing. However, pursuant to Rule 19b-4(f)(6)(iii),²⁹ the Commission may designate a shorter time if such action is consistent with the protection of investors and the public interest. The Exchange has asked the Commission to waive the 30-day operative delay so that the proposal may become operative immediately upon filing. The Exchange requested waiver of the 30-day operative delay in order to immediately implement the proposed rule change so that Users may experience the benefits of such proposed change as soon as possible. The Exchange stated that the proposal would merely make smaller increments of a standard, dedicated cabinet available on a voluntary basis to Users that do not require a full, dedicated cabinet. Users that do require full, dedicated cabinets could continue to request them. The Exchange also stated that the proposal would provide greater flexibility to Users that prefer to increase power allocation in a particular dedicated cabinet rather than incurring the cost of maintaining an additional dedicated cabinet. The Exchange further represented that it operates in a highly competitive market in which several competing exchanges already offer similar co-location services. For the above reasons, the Commission believes waiver of the operative delay is appropriate and hereby grants the Exchange's request and designates the proposal operative upon filing.³⁰

At any time within 60 days of the filing of such proposed rule change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act. If the Commission takes such action, the Commission shall institute proceedings under Section 19(b)(2)(B)³¹ of the Act to determine whether the proposed rule change should be approved or disapproved.

a brief description and text of the proposed rule change, at least five business days prior to the date of filing of the proposed rule change, or such shorter time as designated by the Commission. The Exchange has met this requirement.

²⁹ 17 CFR 240.19b-4(f)(6)(iii).

³⁰ For purposes only of waiving the 30-day operative delay, the Commission has also considered the proposed rule's impact on efficiency, competition, and capital formation. See 15 U.S.C. 78c(f).

³¹ 15 U.S.C. 78s(b)(2)(B).

CompuSonic Video Corporation, Order of Suspension of Trading

Therefore, it is ordered, pursuant to Section 12(k) of the Securities Exchange Act of 1934, that trading in the securities of the above-listed company is suspended for the period from 9:30 a.m. EST on December 20, 2013, through 11:59 p.m. EST on January 6, 2014.
