United States after importation of certain wrapping material and methods for use in agricultural applications by reason of infringement of one or more of claims 1, 2, 4-16, 18, 28, 32, 33, and 35-45 of U.S. Patent No. 6,787,209. *Id.* The Commission’s notice of investigation named as respondents Zhejiang Yajia Cotton Picker Parts Co., Ltd. of Zhuji City, China; Southern Marketing Affiliates, Inc. of Jonesboro, Arkansas; Hai’an Xin Fu Yuan of Agricultural, Science, and Technology Co., Ltd. of Nantong, China; and Gosun Business Development Co. On September 16, 2020, Tama moved for leave to amend the complaint and notice of investigation to add Zhejiang Yajia Packaging Materials Co., Ltd. (“Yajia Packaging”) as a respondent. On October 7, 2020, the ALJ issued the subject ID and granted the motion for leave to amend the complaint and notice of investigation. No party petitioned for review of the subject ID.

The Commission has determined not to review the subject ID. Yajia Packaging is a respondent in this investigation.

The Commission vote for these determinations took place on October 26, 2020.
