[Docket No. FR-5415-N-30]

Notice of Availability: Notice of Funding Availability (NOFA) for Fiscal Year 2010; Technical Assistance and Capacity Building Under the Transformation Initiative; Request for Qualifications

AGENCY: Office of the Chief of the Human Capital Officer, HUD.

ACTION: Notice.

SUMMARY: HUD announces the availability on its Web site of the applicant information, submission deadlines, funding criteria, and other requirements for HUD's Fiscal Year 2010 Notice of Funding Availability (NOFA) for Technical Assistance and Capacity Building under the Transformation Initiative. The OneCPD Integrated Practitioner Assistance System (OneCPD) represents a fundamental change in the way HUD's traditional "program-specific" technical assistance has been structured and delivered over the years to state and local government grantees, and nonprofits. Beyond improving the effectiveness of current technical assistance efforts by adopting a "cross-program" approach, OneCPD is intended as a collaborative effort among HUD, our state and local partners and successful applicants focused on building the kind of grantee management systems and functional capacity necessary to successfully carry out comprehensive and sustainable "place-based" development and revitalization strategies.

The notice providing information regarding the application process, funding criteria and eligibility requirements can be found using the Department of Housing and Urban Development agency link on the Grants.gov/Find Web site at <http://www.grants.gov/search/agency.do>. A link to Grants.gov is also available on the HUD Web site at <http://www.hud.gov/offices/adm/grants/fundsavail.cfm>. The Catalogue of Federal Domestic Assistance (CFDA) number for this program is 14.259. Applications must be submitted electronically through Grants.gov.

FOR FURTHER INFORMATION CONTACT: Questions regarding specific program requirements should be directed to the agency contact identified in the program NOFA. Program staff will not be available to provide guidance on how to prepare the application. Questions regarding the 2010 General Section

should be directed to the Office of Grants Management and Oversight at (202) 708-0667 or the NOFA Information Center at 800-HUD-8929 (toll free). Persons with hearing or speech impairments may access these numbers via TTY by calling the Federal Information Relay Service at 800-877-8339.

Bureau of Ocean Energy Management, Regulation and Enforcement

Notice of Scoping Meetings on the Environmental Impact Statement (EIS) for the Proposed 2012-2017 Outer Continental Shelf (OCS) Oil and Gas Leasing Program

AGENCY: Bureau of Ocean Energy Management, Regulation and Enforcement (BOEMRE), Interior.

ACTION: Notice of scoping meetings and request for comments.

SUMMARY: BOEMRE (formerly Minerals Management Service) provided notice in the **Federal Register** on April 2, 2010, (75 FR 16828) of its intent to prepare a Programmatic EIS for the proposed OCS Oil and Gas Leasing Program for 2012-2017 and request for comments. The notice also announced that scoping meetings would be held during June and early July 2010 in coastal states bordering the Mid and South Atlantic; Western, Central, and a portion of the Eastern Gulf of Mexico; and at several locations in Alaska. Subsequently, on June 30, 2010, the Secretary of the Interior Ken Salazar announced that the scoping meetings were postponed until later in 2010 because of the need for BOEMRE to focus on reviewing and evaluating safety and environmental requirements of offshore drilling in response to the Deepwater Horizon incident and that a new public comment period would later be announced. On December 1, 2010, the Secretary announced an updated oil and gas leasing strategy for the OCS. Consistent with the Secretary's direction to proceed with caution and focus on leasing in areas with current active leases, the area in the Eastern Gulf of Mexico that remains under a congressional moratorium, and the Mid and South Atlantic planning areas are no longer

under consideration for potential sales and development through 2017. Therefore, meetings will not be held in these areas. The Western Gulf of Mexico, Central Gulf of Mexico, and the Cook Inlet, Chukchi Sea, and Beaufort Sea areas offshore Alaska will continue to be considered for potential leasing in the 2012-2017 OCS Program.
