SUPPLEMENTARY INFORMATION: The Government Performance and Results Act of 1993 (GPRA) requires agencies to prepare strategic plans, annual performance plans, and annual performance reports with measurable performance indicators to address the policy, budgeting and oversight needs of both Congress and agency leaders, partners/stakeholders, and program managers. In 2010, Congress passed the GPRA Modernization Act of 2010, which further requires a leadership-driven governance model with emphasis on quarterly performance reviews and transparency. The GPRA Modernization Act requires agencies to set priority goals linked to longer-term agency strategic goals. Part 6 of Office of Management and Budget (OMB) Circular A-11 provides additional guidance and requirements for federal agencies to implement these laws. The NCUA Draft Strategic Plan 2022-2026 is issued pursuant to the GPRA, the GPRA Modernization Act, and OMB Circular A-11.

The NCUA Draft Strategic Plan 2022-2026 outlines how the agency will continue to effectively supervise and insure a growing and evolving credit union system. As the financial services and the credit union sector evolve, the NCUA must be responsive. The NCUA Draft Strategic Plan 2022-2026 aims to be forward-looking and address the risks and opportunities facing the agency and the credit union system over the next five years. The agency is seeking comment on all aspects of the draft plan, with particular emphasis on the draft strategic goals and strategic objectives. The NCUA Board will analyze the comments received and determine whether to update the draft plan. Comments received may also be considered during development of the agency's Annual Performance Plans during the strategic plan period, as applicable. Approval of the proposed final NCUA Strategic Plan 2022-2026 will require a vote of the NCUA Board.

By providing opportunity for public comment on the NCUA Draft Strategic

Plan 2022-2026, as well as by posting it on the agency's website at www.ncua.gov, the NCUA continues its ongoing commitment to transparency about the agency's future plans and actions.
