SUPPLEMENTARY INFORMATION: Recipients of federal financial assistance from the Department of Homeland Security (DHS) are required to meet certain legal requirements relating to nondiscrimination and nondiscriminatory use of federal funds. Those requirements include ensuring that entities receiving Federal financial

assistance from the Department of Homeland Security do not deny benefits or services, or otherwise discriminate on the basis of race, color, national origin, disability, age, sex, or religion, in accordance with the following authorities:

- Title VI of the Civil Rights Act of 1964 (Title VI) Public Law 88-352, 42 U.S.C. 2000d-1 *et seq.*, and the Department's implementing regulation, 6 CFR part 21 and 44 CFR part 7, which prohibit discrimination on the grounds of race, color, or national origin by recipients of Federal financial assistance. Title VI, through its prohibition against discrimination on the basis of national origin, requires recipients to take reasonable steps to provide meaningful access to persons who are limited English proficient (LEP). *See Guidance to Federal Financial Assistance Recipients Regarding Title VI Prohibition Against National Origin Discrimination Affecting Limited English Proficient Persons*, 76 FR 21755-21768 (April 18, 2011).

- Section 504 of the Rehabilitation Act of 1973 (Section 504), Public Law 93-112, as amended by Public Law 93-516, 29 U.S.C. 794, which prohibits discrimination on the basis of disability by recipients of Federal financial assistance.

- Title IX of the Education Amendments of 1972 (Title IX), 20 U.S.C. 1681 *et seq.*, and the Department's implementing regulations, 6 CFR part 17, and 44 CFR part 19, which prohibits discrimination on the basis of sex in education program and activities received Federal financial assistance.

- Age Discrimination Act of 1975, Public Law 94-135, 42 U.S.C. Section 6101 *et seq.*, and the Department implementing regulation at 44 CFR part 7, which prohibits discrimination on the basis of age by recipients of Federal financial assistance.

- U.S. Department of Homeland Security regulation 6 CFR part 19, which prohibits organizations that receive financial assistance from DHS for a social service program from discriminating against beneficiaries on the basis of religion or religious belief, a refusal to hold a religious belief, or a refusal to attend or participate in a religious practice.

The aforementioned civil rights authorities also prohibit retaliatory acts against individuals for participating or opposing discrimination in a complaint, investigation, or other proceeding related to prohibited discrimination.

DHS has an obligation to enforce nondiscrimination requirements to

ensure that its federally assisted programs and activities are administered in a nondiscriminatory manner. In order to carry out its enforcement responsibilities, DHS must obtain a signed assurance of compliance and collect and review information from recipients to ascertain their compliance with applicable requirements. DHS implementing regulations and the Department of Justice (DOJ) regulation *Coordination of Non-discrimination in Federally Assisted Program*, 28 CFR part 42, provide for the collection of data and information from recipients (see 28 CFR 42.406).

DHS uses DHS Form 3095: DHS Civil Rights Evaluation Tool as the primary tool to implement this information collection. DHS is seeking an extension of the form for another three-year period. DHS is not proposing any changes to the information collected in the form but is proposing changes to Section 1 of the form on instructions to streamline the process for submitting the completed form.

DHS uses the form to collect civil rights related information from all recipients of federal financial assistance from the Department. Recipients are non-federal entities that receive federal financial assistance in the form of a grant, cooperative agreement, or other type of financial assistance directly from the Department and not through another recipient or "pass-through" entity. This information collection does not apply to subrecipients, federal contractors (unless the contract includes the provision of financial assistance), nor the ultimate beneficiaries of services, financial aid, or other benefits from the Department.

Recipients are required to provide the information 30 days from acceptance of award. Recipient of multiple awards of DHS financial assistance only submit one completed form for their organization, not per award. Recipient are required to complete the form once every two years if they have an active award, not every time a grant is awarded. Entities whose award does not run a full two years are required to provide the information again if they receive a subsequent award more than two (2) years after the prior award. In responding to *Section 4: Required Information*, which contains the bulk of the information collection, if the recipient's responses have not changed in the two year period since their initial submission, the recipient does not need to resubmit the information. Instead, the recipient will indicate "no change" for each applicable item.

The purpose of the information collection is to advise recipients of their
