

inputs that are unavailable or unreliable. The Clearing Agencies believe the proposed changes to the Framework are designed to facilitate the use of timely and reliable substantive inputs to each CCP's margin system, and where such inputs are unavailable or unreliable, the use of appropriate alternative sources or procedures, to ensure that the Clearing Agencies continue to meet their obligations under Rule 17ad-22(e)(6) under the Act.²⁵

For the reasons set forth above, the Clearing Agencies believe the proposed rule change is consistent with Section 17A(b)(3)(F) of the Act²⁶ and Rules 17ad-22(e)(4)(i), (e)(6)(i), and (e)(6)(iv) thereunder.²⁷

(B) Clearing Agency's Statement on Burden on Competition

Section 17A(b)(3)(I) of Act²⁸ requires that the rules of a clearing agency do not impose any burden on competition not necessary or appropriate in furtherance of the purposes of the Act. The Clearing Agencies do not believe that the proposed rule change would have any impact, or impose any burden, on competition. The proposed changes would enhance the Framework by addressing the new CCAS Margin Rules concerning the use of substantive inputs in a CCA's risk-based margin systems. These changes apply to the CCA's margin systems generally and would not advantage or disadvantage any particular participant or user of the Clearing Agencies' services or unfairly inhibit access to the Clearing Agencies' services. The Clearing Agencies therefore do not believe that the proposed rule change would have any impact, or impose any burden, on competition.

(C) Clearing Agency's Statement on Comments on the Proposed Rule Change Received From Members, Participants, or Others

The Clearing Agencies have not received or solicited any written comments relating to this proposal. If any written comments are received, the Clearing Agencies will amend this filing by publicly filing such comments as an Exhibit 2 to this filing, as required by Form 19b-4 and the General Instructions thereto.

Persons submitting written comments are cautioned that, according to Section IV (Solicitation of Comments) of the Exhibit 1A in the General Instructions to
