In this notice, we solicit comments concerning the following information collection:

Title: Schedule A and Veterans Recruitment Initiative Information.

OMB number: 3095–NEW.

Agency form number: NA Form 3102, NARA Employment Interest Questionnaire.

Type of review: Regular.

Affected public: Individuals or households.

Estimated number of respondents: 600.

Estimated time per response: 5 minutes.

Frequency of response: On occasion.

Estimated total annual burden hours: 50.

Abstract: We are implementing a new recruitment initiative by which we work to connect people who are veterans or are Schedule A-eligible with non-competitive employment opportunities within our agency. The Special Program Placement Coordinator (SPPC) serves as a liaison between the applicant and NARA managers and supervisors to find viable employment opportunities for applicants.

SPPC has developed a Resumé Repository (retained in a spreadsheet) to

store resumé of qualified individuals who may meet our hiring needs. The Repository helps our agency find highly motivated veterans and Schedule A candidates who are eager to demonstrate their abilities in the workplace through excepted service positions, which could become permanent positions after trial period requirements have been met.

We collect the information for the Repository through an online form, NARA Employment Interest Questionnaire, NA Form 3102, which includes the following information for each individual: Applicant name, email address, phone number, types of positions applicant is interested in (may be multiple areas of interest), applicant's desired location(s), and minimum starting grade level applicant is willing to accept.

We enter the collected information from the questionnaire into the Repository spreadsheet, which managers and supervisors can use to sort and filter by position(s) of interest and/or duty location. We include resumé and cover letters as a link beside each candidate's entry so managers can view them and consider the candidate when looking for an employee. Managers have unlimited access to the Repository information and resumé to select qualified applicants to fill vacancies through a direct, non-competitive hire.

The Schedule A and veterans recruitment questionnaire link will be listed in our agency's information on the OPM website, in information provided by other agencies and organizations with similar programs, and on various pages of our agency's website at www.archives.gov.

Candidates must be U.S. citizens, eligible veterans, or be eligible under the Schedule A hiring authority.

Swarnali Haldar,

Executive for Information Services/CIO.
