Agency Information Collection Activities: Submission for OMB Review; Comment Request

Periodically, the Health Resources and Services Administration (HRSA) publishes abstracts of information collection requests under review by the Office of Management and Budget (OMB), in compliance with the Paperwork Reduction Act of 1995 (44 U.S.C. Chapter 35). To request a copy of the clearance requests submitted to OMB for review, call the HRSA Reports Clearance Office on (301) 443-1129.

The following request has been submitted to the Office of Management and Budget for review under the Paperwork Reduction Act of 1995:

Proposed Project: Healthy Start Participant Survey (NEW)

The Health Resources and Services Administration's Maternal and Child Health Bureau (MCHB) initiated the Healthy Start program in 1991 in

response to concerns about high infant mortality rates. This project is a part of an evaluation that includes a survey of Healthy Start Program participants and is designed to collect information that will be useful in assessing the implementation of Healthy Start and the program impact from a client perspective. Specifically, the goals of the survey are to: Describe the participant population, assess the services they received during the prenatal and early postpartum periods, describe their experiences and satisfaction with the health system and services, and examine their health behaviors.

The survey will be administered to participants at eight grantee sites. The survey will utilize computer assisted telephone interviewing (CATI) with in-person field follow up if the telephone attempts are unsuccessful. Data gathered from the survey will be used to provide HRSA with information necessary to assess the grantees' achievement of MCHB's goal to improve perinatal outcomes among racial and ethnic minorities.

The estimated burden on respondents is as follows:

Form	Number of respondents	Responses per respondent	Total responses	Hours per response	Total burden hours
Participant survey	633	1	633	.5	316.5

Written comments and recommendations concerning the proposed information collection should be sent within 30 days of this notice to: John Kraemer, Human Resources and Housing Branch, Office of Management and Budget, New Executive Office Building, Room 10235, Washington, DC 20503.

Dated: March 30, 2006.

Tina M. Cheatham,

Director, Division of Policy Review and Coordination.

Advisory Committee on Organ Transplantation; Notice of Meeting

AGENCY: Health Resources and Services Administration, HHS.

ACTION: Notice of meeting of the Advisory Committee on Organ Transplantation.

SUMMARY: Pursuant to Public Law 92-463, the Federal Advisory Committee Act, as amended (5 U.S.C. Appendix 2), notice is hereby given of the tenth meeting of the Advisory Committee on Organ Transplantation (ACOT), Department of Health and Human Services (HHS). The meeting will be held from approximately 9 a.m. to 5:30 p.m. on May 4, 2006, and from 9 a.m. to 3 p.m. on May 5, 2006, at the Rockville DoubleTree Hotel, 1750 Rockville Pike, Rockville, Maryland 20852. The meeting will be open to the public; however, seating is limited and pre-registration is encouraged (see below).

SUPPLEMENTARY INFORMATION: Under the authority of 42 U.S.C. 217a, Section 222 of the Public Health Service Act, as amended, and 42 CFR 121.12 (2000), ACOT was established to assist the Secretary in enhancing organ donation, ensuring that the system of organ transplantation is grounded in the best

available medical science, and assuring the public that the system is as effective and equitable as possible, and, thereby, increasing public confidence in the integrity and effectiveness of the transplantation system. ACOT is composed of up to 25 members, including the Chair. Members are serving as Special Government Employees and have diverse backgrounds in fields such as organ donation, health care public policy, transplantation medicine and surgery, critical care medicine and other medical specialties involved in the identification and referral of donors, non-physician transplant professions, nursing, epidemiology, immunology, law and bioethics, behavioral sciences, economics and statistics, as well as representatives of transplant candidates, transplant recipients, organ donors, and family members.

ACOT will hear presentations on insurance coverage for living donors, donor.com issues, donation after cardiac death (DCD) costs, tissue regulation, Medicare/Medicaid Part D plans not covering immunosuppressive
