

repositories, such as the National Emergency Medical Services Information System (NEMSIS), in de-identified, aggregate form only, to promote DHS compliance with emergency medical care industry standards and best practices.

L. To any person who is responsible for the care of the individual, to the extent necessary to assure payment of benefits to which the individual is entitled, when an individual to whom a record pertains is mentally incompetent or under other legal disability.

M. To the patient's health insurance company to facilitate any payment and billing negotiations between the patient, the insurance carrier and the agency.

DISCLOSURE TO CONSUMER REPORTING AGENCIES:

None.

POLICIES AND PRACTICES FOR STORING, RETRIEVING, ACCESSING, RETAINING, AND DISPOSING OF RECORDS IN THE SYSTEM:

STORAGE:

Records in this system are stored electronically or on paper in secure facilities in a locked drawer behind a locked door. The records are stored on magnetic disc, tape, digital media, and CD-ROM.

RETRIEVABILITY:

Records may be retrieved by any of the fields listed in the Categories of Records listed above.

SAFEGUARDS:

Records in this system are safeguarded in accordance with applicable rules and policies, including all applicable DHS automated systems security and access policies. Strict controls have been imposed to minimize the risk of compromising the information that is being stored. Access to the computer system containing the records in this system is limited to those individuals who have a need to know the information for the performance of their official duties and who have appropriate clearances or permissions.

RETENTION AND DISPOSAL:

Based on the most conservative industry standards advised to implement Medical Quality Management, OHA will propose a retention schedule of ten (10) years from the date of the EMS provider encounter. Records will be retained pending the final approval by the National Archives and Records Administration of this records schedule.

SYSTEM MANAGER AND ADDRESS:

Director, Workforce Health and Medical Support Division, Office of

Health Affairs, Department of Homeland Security, Washington, DC 20528.

NOTIFICATION PROCEDURE:

Individuals seeking notification of and access to any record contained in this system of records, or seeking to contest its content, may submit a request in writing to the Headquarters FOIA Officer, whose contact information can be found at <http://www.dhs.gov/foia> under "contacts." If an individual believes more than one component maintains Privacy Act records concerning him or her the individual may submit the request to the Chief Privacy Officer and Chief Freedom of Information Act Officer, Department of Homeland Security, 245 Murray Drive, SW., Building 410, STOP-0655, Washington, DC 20528.

When seeking records about yourself from this system of records or any other Departmental system of records your request must conform with the Privacy Act regulations set forth in 6 CFR part 5. You must first verify your identity, meaning that you must provide your full name, current address and date and place of birth. You must sign your request, and your signature must either be notarized or submitted under 28 U.S.C. 1746, a law that permits statements to be made under penalty of perjury as a substitute for notarization. While no specific form is required, you may obtain forms for this purpose from the Chief Privacy Officer and Chief Freedom of Information Act Officer, <http://www.dhs.gov> or 1-866-431-0486. In addition you should provide the following:

- An explanation of why you believe the Department would have information on you;
- Identify which component(s) of the Department you believe may have the information about you;
- Specify when you believe the records would have been created;
- Provide any other information that will help the FOIA staff determine which DHS component agency may have responsive records; and
- If your request is seeking records pertaining to another living individual, you must include a statement from that individual certifying his/her agreement for you to access his/her records.

Without this bulleted information the component(s) may not be able to conduct an effective search, and your request may be denied due to lack of specificity or lack of compliance with applicable regulations. Consistent with 6 CFR 5.22(f) *Release of Medical Records*, and pursuant to 5 U.S.C. 552a(f)(3), where requests are made for access to medical records, including

psychological records, the decision to release directly to the individual, or to withhold direct release, shall be made by a medical practitioner. Where the medical practitioner has ruled that direct release will cause harm to the individual who is requesting access, normal release through the individual's chosen medical practitioner will be recommended. Final review and decision on appeals of disapprovals of direct release will rest with the General Counsel.

RECORD ACCESS PROCEDURES:

See "Notification procedure" above.

CONTESTING RECORD PROCEDURES:

See "Notification procedure" above.

RECORD SOURCE CATEGORIES:

Records are obtained from DHS EMS medical care providers and their patients, either in the care and custody of the Department, at the DHS workplace, or in conjunction with a medical emergency where an on-duty DHS EMS is the medical care provider.

EXEMPTIONS CLAIMED FOR THE SYSTEM:

None.

Dated: August 23, 2011.

Mary Ellen Callahan,

Chief Privacy Officer, Department of Homeland Security.
