The Secretary has recently invited six individuals to serve as members of the Board due to the expiration of 3-year terms for six members on December 31, 2010. The new members require on-boarding and swearing-in. As a result of the logistics of scheduling the availability of the new members and the continuing voting members, as well as ASPR leadership, there are exceptional circumstances that prevent the normal 15 calendar days notice for this meeting. This is a special meeting of the Board. The next scheduled meeting of the Board will be announced in the **Federal Register** within the required timeframe established by the Federal Advisory Committee Act.
