Yaka Energy, LLC; Notice of Issuance of Order

Yaka LLC (Yaka) filed an application for market-based rate authority, with an accompanying rate schedule. The proposed rate schedule provides for the sales of energy and capacity at market-based rates. Yaka also requested waiver of various Commission regulations. The Commission reserves the right to require a further showing that neither public nor private interests will be adversely affected by continued approval of Yaka's issuances of securities or assumptions of liability.
