SUPPLEMENTARY INFORMATION:**Background**

In 2001, the InterAmerican
 Convention for the Protection and

Conservation of Sea Turtles (IAC) came into force. The objective of the Convention is to promote the protection, conservation and recovery of sea turtle populations and of the habitats on which they depend, based on the best available scientific evidence, taking into account the environmental, socioeconomic and cultural characteristics of the Parties. There are currently 13 parties to the Convention. For the last seven years, the IAC has operated through a *Pro Tempore* Secretariat. The term of the current *Pro Tempore* Secretariat will expire at the end of 2008. The Parties are currently seeking candidates for the position of Head of the Secretariat. Under resolution CIT-COPE1–2007–R1, each Party is responsible for nominating a candidate for consideration as the Head of the Secretariat. The United States government is using this **Federal Register** notice to solicit individuals who wish to be considered for this position. After evaluation of those individuals, the United States Government will submit a nomination to be considered by the Conference of Parties. The applicant will be informed of their selection as the United States nominee prior to the submission. After all the Parties have submitted applicants, the Parties will select the top four candidates to be interviewed at the November 2008 Conference of Parties meeting in Honduras. At that same meeting, the Parties will choose a Head of the Secretariat. The candidate selected to be the Head of the

Secretariat, will be expected to begin in January of 2009.

All nominations for the position must meet the requirements outlined in IAC Resolution (CIT-COPE1–2007–R1). This resolution can be found at <http://www.iacseaturtle.org/iacseaturtle/English/download/CIT-COPE1-2007-R1%20Eng.pdf>.
